Documents on Israeli-Soviet Relations, 1954-1967 Yaacov Ro'i, Yehoshua Freundlich, Boris Morozov, 2025-05-19 This book spanning the years 1965-1967 the years leading up to and culminating in the June 1967 Six Day War is the fourth in a four volume collection of documents from the Russian Federation and the Israeli State Archive portraying relations between the Soviet Union and the State of Israel Most of the documents are communications composed by successive Soviet ambassadors in Israel and Israeli ambassadors in Moscow and their respective staff They illustrate the way Soviet ideology placed Israel irreparably in the enemy western camp in the Cold War Moscow's attempt to manipulate Israel into a seemingly neutral position in the international arena was therefore a ploy the failure of which was a foregone conclusion Israel's efforts to normalise relations between the two states were by turns genuine and unserious and similarly doomed to fail both because of ongoing Soviet arms supplies to Egypt and Syria which Israel perceived as a major threat to its security and because the Israeli government and public felt a commitment to the well

being of the Soviet Jewish minority that they saw as deprived of basic rights The book will be of interest to scholars and students of Soviet foreign policy Israel s formative years the Arab Israeli conflict and Soviet Jewry and it will be a must for university libraries

The Making of the Arab-Israeli Conflict, 1947-1951 Ilan Pappé, 2025-02-20 This seminal text by renowned Israeli historian Ilan Pappé discusses one of the most significant periods in the Arab Israeli conflict Based on archival material it presents the reader with a comprehensive and general history of the origins and consequences of the 1948 war While among Arabs and especially Palestinians the events of that year are known as the nakba the catastrophe the trauma the disaster for Jews and in particular for Israelis their victory in the war of 1948 is a veritable miracle For them against tremendous odds and through heroic military effort the Jewish community succeeded in thwarting attempts by the Arab states to destroy it Pappé shows here that in sharp contrast to the recollections and myths of both sides the military events of 1948 were not decisive The victory of the Zionist organization and the fate of the Palestinians was determined by politicians on both sides in the discussions and decisions of the United Nations in 1947 8 and in the Arab League long before a shot had been fired He argues that Israel's failure to take advantage of the genuine opportunity for peace with the Arabs at the UN sponsored
