People Power Fifty Peacemakers And Their Communities:

People Power Michael True,2007 On the lives and communities of world famous peacemakers from the 18th century to the present Peace Education, 3d ed. Ian M. Harris,Mary Lee Morrison,2014-01-10 Now in its third edition Peace Education provides a comprehensive approach to educating for a just and sustainable future It begins with religious and historical trends that have molded our understanding of peace and then presents a variety of ways to practice peace education in schools and communities and explains how it can motivate students The teaching and practice of peace education provides a basis of valuable knowledge about resolving conflicts and transforming violence without the use of force Instructors considering this book for use in a course may request an examination copy here *Social Power in International Politics* Peter van Ham,2010-04-05 This text introduces and defines the concept of social power and examines how it works in international politics Including perspectives from the EU the US Middle East and China it features a range of case studies on culture and pop culture media public diplomacy and branding Waging Peace David Hartsough,Joyce Hollyday,2014-11-01 David Hartsough knows how to get in the way He has used his body to block Navy ships headed for Vietnam and trains loaded with munitions on their way to El Salvador and Nicaragua He has crossed borders to meet the enemy in East Berlin Castro s Cuba and present day Iran He has marched with mothers confronting a violent regime in Guatemala and stood with refugees threatened by death squads in the Philippines Waging Peace is a testament to the difference one person can make Hartsough s stories inspire educate and encourage readers to find ways to work for a more just and peaceful world Inspired by the examples of Mahatma Gandhi and Martin Luther King Jr Hartsough has spent his life experimenting with the power of active nonviolence It is the story of one man s effort to live as though we were all brothers and sisters Engaging stories on every page provide a peace activist s eyewitness account of many of the major historical events of the past sixty years including the Civil Rights and anti Vietnam War movements in the United States and the little known but equally significant nonviolent efforts in the Soviet Union Kosovo Palestine Sri Lanka and the Philippines Hartsough s story demonstrates the power and effectiveness of organized nonviolent action But Waging Peace is more than one man s memoir Hartsough shows how this struggle is waged all over the world by ordinary people committed to ending the spiral of violence and war

Peace Education from the Grassroots Ian Harris,2013-09-01 Historians often ignore the day to day struggles of ordinary people to improve their lives They tend to focus on the accomplishments of illustrious leaders Peace Education from the Grassroots tells the stories of concerned citizens teachers and grassroots peace activists who have struggled to counteract high levels of violence by teaching about the sources for violence and strategies for peace The stories told here come from the grass roots meaning the educators are close to the forms of violence they are addressing This collection of essays tells how citizens at the grassroots level developed peace education initiatives in thirteen different nations Belgium Canada El Salvador Germany India Jamaica Japan Mexico the Philippines South Korea Spain Uganda and the United States A fourteenth

article describes the efforts of the International Red Cross to implement a human rights curriculum to teachers on the ground in the Balkans Iran Senegal and the United States These chapters describe a variety of schools colleges peace movement organizations community based organizations and international nongovernmental organizations engaged in peace education **Teaching Peace Through Popular Culture** Laura L. Finley, Joanie Connors, Barbara Wien, 2015-03-01

Authored by scholars from a variety of disciplines including English Theology Philosophy Communications Sociology Humanities and Peace Studies this edited volume provides detailed descriptions of the many ways popular culture can be used to teach peace Chapters discuss documentary and feature film music television literature and more providing both educators and the general public with a timely and useful tool From popular dystopian novels like The Hunger Games to feature films like The Matrix to modern rap and hip hop music contributors not only provide critical analysis of the violence in popular culture but also an assessment of how the same or alternate forms can be used by peace educators Additionally each chapter project synopses and teaching ideas as well as recommended resources European Public Diplomacy Mai'a K. Davis Cross, Jan Melissen, 2015-12-11 Do the various aspects of Europe's multi leveled public diplomacy form a coherent overall image or do they work against each other to some extent European Public Diplomacy pushes the literature on public diplomacy forward through a multifaceted exploration of the European case **Relational, Networked and Collaborative**

Approaches to Public Diplomacy R.S. Zaharna, Amelia Arsenault, Ali Fisher, 2014-02-05 Over the past decade scholars practitioners and leading diplomats have forcefully argued for the need to move beyond one way mass media driven campaigns and develop more relational strategies In the coming years as the range of public diplomacy actors grows the issues become more complexly intertwined and the use of social media proliferates the focus on relations will intensify along with the demands for more sophisticated strategies These changes in the international arena call for a connective mindshift a shift from information control and dominance to skilled relationship management Leading international scholars and practitioners embark on a forward looking exploration of creative conceptual frameworks training methods and case studies that advance relational networking and collaborative strategies in public diplomacy Light on academic jargon and rich in analysis this volume argues that while relationships have always been pivotal to the practice of public diplomacy the relational dynamics are changing Rather than focus on specific definitions the contributors focus on the dynamic interplay of influence in the public diplomacy environment That environment includes state and non state actors public and private partners competitors and collaborators new and old media and is conditioned by power ethics and cultures This book is an essential resource to students and practitioners interested on how to build relationships and transform them into more elaborate network structures through public communication It will challenge you to push the boundaries of what you think are the mechanisms benefits and potential issues raised by a relational approach to public diplomacy *Disarming the Church* Eric A. Seibert, 2018-04-11 If Christians follow the Prince of Peace why do they often behave so violently What can be

done to transform the church so that it looks more like Jesus Eric Seibert explores these questions in this important and timely study He builds a biblical and practical case for living nonviolently in all areas of life and urges Christians to reexamine their most fundamental attitudes toward violence warfare and killing Through true stories and careful analysis Seibert demonstrates that it is possible to resolve conflict correct injustice and stop oppression without resorting to violence Many nonviolent alternatives are discussed throughout the book alternatives that can be used in a wide range of situations from dealing with an unwanted intruder at home to removing a dictator from power In a world filled with so much violence hate and fear alternatives like these are desperately needed This book offers hope that a better way is possible one that has the potential to transform the church and change the world So read on and join in [The Complete Rags of Time: A Season in Prison](#) Jack Cook,2012-07-18 The Complete Rags of Time A Season in Prison Parts 1 and 2 publishes for the first time all the prison narrative I wrote in the six month period January 1971 June 1971 after my release from Federal Prison in November 1970 Rags of Time A Season in Prison Beacon 1972 was only part 1 of the narrative It was published because it was complete in itself and Beacon wanted it out as quickly as possible Beacon had just published in book form for the first time The Pentagon Papers and desired I think a more human face to put on their antiwar efforts I think too they hoped I would promote both books on tour I disappointed them in that effort I was not ready for a book tour and would not participate in such a venture The manuscript has gathered dust over the decades for at the time I held out hope that Beacon would publish it But in the pre Watergate days when Rags was published mainstream reviewers would not pick it up It did receive some positive reviews in alternative press venues had a wide library circulation here and in Canada and was taught in college and university courses on both coasts Before I too turn to dust I feel it necessary not only to complete the record but to complete the story of my friends fellow prisoners of war who took their stand against the war to prison Now for all the victims of our war without end NSA surveillance the fascist Homeland Security apparatus and the unconscionable strip searches of the rights and bodies of old and young I feel the need to throw yet another book to the barricade

Peacemakers in Action: Volume 1 Tanenbaum Center for Interreligious Understanding,2007-01-08 Across the globe there are more than 50 armed conflicts many of which are being perpetrated in the name of religion In these zones of violence there are brave men and women who motivated by their religious beliefs are working to create and sustain peace and reconciliation Yet their stories are unknown This book explores the conflicts and the stories of 15 remarkable individuals identified and studied by the Tanenbaum Center for Interreligious Understanding from regions as far flung as West Papua Indonesia the Middle East Northern Ireland Nigeria El Salvador and South Africa The book also captures important lessons learned when these peacemakers convened in Amman Jordan for the 2004 Peacemakers in Action Retreat and discussed their best techniques and greatest obstacles in creating peace on the ground Peacemakers in Action provides guidance to students of religion and future peacemakers **The Wages of Peace** Brian Humphreys,2024-10-01 It s getting harder and harder to

get by Inflation Stagnant wages Spiraling costs of living Even in the world's wealthiest nation it is too hard to earn enough money to thrive without a tremendous amount of privilege or luck When so many people are struggling what can we do The Wages of Peace offers aspiring economic peacemakers an empathetic informed perspective on today's economy and the difficulty of getting by Reporting back from his work in community development Brian Humphreys unpacks the core needs of low income households and communities starting with living wage jobs He then offers practical steps to address complex socioeconomic challenges and become equipped to talk about money work and well being This includes confronting where our theologies of wealth and work have come up short and naming that when we put profits over people we pay the price in despair and violence Jesus calls us to seek shalom in the marketplace and the neighborhood It's time to dismantle inequality and work for an equitable peace

The Power of Blessing David Timms, 2010-10-01 Words positive or negative carry enormous potential to create or destroy It's always been that way ever since God said Let there be The Power of Blessing explores the timeless words of Jesus in the Beatitudes and takes readers on a journey into the extraordinary world of blessings It shows them how to use words to heal rather than wound as well as how to bless their loved ones more effectively Readers looking for a way to jump start their relationships will find the key in this book of blessings

Rags of Time Jack Cook, 2008-04-28 The Parables chronicle the life and death of a castle society strangled into a coma by a terminal case of Bureaucratitis hardening of the hallways A young squire Thomas Bucket and his liege lord Sir Lancelot join the m l e joust with revolutionary zeal but still cannot unhorse such stalwart practitioners of palatine politics as the Prince of the Piles Lord Bellicose or the Parchment Patrollers paper pushers of the first order In the end the nobles are led by the Wise Men Smoke and Mirrors into the sad Diaspora Bureaucrati This book will help you avoid the same fate

Hillbilly Nationalists, Urban Race Rebels, and Black Power - Updated and Revised Amy Sonnie, James Tracy, 2021-08-17 UPDATED AND REVISED EDITION THE LITTLE KNOWN STORY OF POOR AND WORKING CLASS WHITES URBAN ETHNIC GROUPS AND BLACK PANTHERS ORGANIZING SIDE BY SIDE FOR SOCIAL JUSTICE IN THE 1960S AND 70S Some of the most important and little known activists of the 1960s were poor and working class radicals Inspired by the Civil Rights movement the Black Panthers and progressive populism they started to organize significant political struggles against racism and inequality during the 1960s and into the 1970s Historians of the period have traditionally emphasized the work of white college activists who courageously took to the streets to protest the war in Vietnam and continuing racial inequality Poor and working class whites have often been painted as spectators reactionaries and even racists But authors James Tracy and Amy Sonnie disprove that narrative Through over ten years of research interviewing activists along with unprecedented access to their personal archives Tracy and Sonnie tell a crucial untold story of the New Left Their deeply sourced narrative history shows how poor and working class individuals from diverse ethnic rural and urban backgrounds cooperated and drew strength from one another The groups they founded redefined community organizing and transformed the lives and

communities they touched Hillbilly Nationalists Urban Race Rebels and Black Power is an important contribution to our understanding of a pivotal moment in U S history Among the groups in the book JOIN Community Union brought together southern migrants student radicals and welfare recipients in Chicago to fight for housing health and welfare The Young Patriots Organization and Rising Up Angry organized self identified hillbillies Chicago greasers Vietnam vets and young feminists into a legendary Rainbow Coalition with Black and Puerto Rican activists In Philadelphia the October 4th Organization united residents of industrial Kensington against big business war and a repressive police force In the Bronx White Lightning occupied hospitals and built coalitions with doctors to fight for the rights of drug addicts and the poor
