Perception Empathy And Judgment Perception Empathy And Judgment:

Perception, Empathy, and Judgment Arne Johan Vetlesen,1994 Includes bibliographical references and index The Heart of Judgment Leslie Paul Thiele,2006-09-04 The Heart of Judgment explores the nature historical significance and continuing relevance of practical wisdom Primarily a work in moral and political thought it also relies extensively on research in cognitive neuroscience to confirm and extend our understanding of the faculty of judgment Ever since the ancient Greeks first discussed practical wisdom the faculty of judgment has been an important topic for philosophers and political theorists It remains one of the virtues most demanded of our public officials The greater the liberties and responsibilities accorded to citizens in democratic regimes the more the health and welfare of society rest upon their exercise of good judgment While giving full credit to the roles played by reason and deliberation in good judgment the book underlines the central importance of intuition emotion and worldly experience

What We Owe to Nonhuman Animals Gary Steiner,2023-09-27 This book strongly challenges the Western philosophical tradition s assertion that humans are superior to nonhuman animals It makes a case for the full and direct moral status of nonhuman animals The book provides the basis for a radical critique of the entire trajectory of animal studies over the past fifteen years The key idea explored is that of felt kinship a sense of shared fate with and obligations to all sentient life It will help to inspire some deep rethinking on the part of leading exponents of animal studies The book s strong outlook is expressed through an appeal for radical humility on the side of humans rather than a constant reference to the human animal divide Historical figures examined in depth include Aristotle Seneca and Kant contemporary figures examined include Christine Korsgaard and Martha Nussbaum This book presents an account according to which the tradition has not proceeded on the basis of impartial motivations at all but instead has made a set of pointedly self serving assumptions about the proper criteria for assessing moral worth Readers of this book will gain exposure to a wide variety of thinkers in the Western philosophical tradition historical as well as contemporary This book is suitable for professionals working in nonhuman animal studies students advanced undergraduates and practitioners working in the fields of philosophy environmental studies law literature anthropology and related fields *Heidegger and Practical Philosophy* François Raffoul,David Pettigrew,2002-03-21 Leading scholars address the ethical and practical dimensions of Heidegger s thought The Roots of Morality Maxine Sheets-Johnstone,2010-11-01 *Beyond Reason* Miki Kashtan,2000

Action in Young Adulthood Ralph L. Mosher,1999 The connection between knowing the right or good thing to do and then
actually doing it has long been a puzzle Watch what we do not what we say goes beyond the revealing admission of a former
Attorney General of the United States to the broader reality of human behavior Parents teachers employers religious
educators and society at large have a deep vested interest in understanding the relationship between and in knowing how
better to educate for consistency in moral knowledge and behavior The past twenty five years have seen much productive
research on the development of moral reasoning Doing the right or good act now needs comparable study The unique
contribution of this book is its exploratory study of the connection between moral thinking and action Research on this
linkage is in its relative infancy A key aim is to begin to throw light on what factors intervene between a person s moral
judgment and subsequent action Valuable although untested theoretical models have been put forward concerning this
interaction they are used to guide the initial development of questions but not to the exclusion of focusing on the unique
insights provided by the young adults as to the process and problems of living one s life morality This book begins with
statements from the executive director John N Gardner and the President of the University of South Carolina John M Palms
