The Gregg Writer, 1902 **Single-Case Designs for Applied Research** Craig H. Kennedy, 2024-11-14 Single Case Designs for Applied Research by Craig Kennedy helps readers explore single subject research designs grounded in real world examples drawn from classic and contemporary research in education and beyond This text aims to give readers precise and highly applicable information and concepts in single case or single subject designs so readers can apply this knowledge to their own research and practice By focusing on the experimental nature of this design students learn about the purposes of single case research so they can adapt the designs using them as tools in their methodological toolboxes rather than as formulas to be followed Beginning with an overview of experiments single case designs and strategic issues the book then moves onto a review of measurement approaches different tactics for research designs and ways to understand data and analysis Boxed features throughout offer readers more explanation and background of key methodological concepts Reflection questions at the end of each chapter help students reinforce their knowledge This brief text concisely and thoroughly covers the landscape of single case designs **Teacher as Researcher: Action Research by Elementary Teachers** Jay Feng, 2012-12-21 A collection of action research reports by elementary classroom teachers Literacy Instruction for Students Who are Deaf and Hard of Hearing Jennifer S. Beal, Hannah M. Dostal, Susan R

Easterbrooks, 2024-07-12 Most students who are deaf or hard of hearing DHH struggle with acquiring literacy skills some as a direct result of their hearing loss some because they are receiving insufficient modifications to access the general education curriculum and some because they have additional learning challenges necessitating significant program modifications This second edition of Literacy Instruction for Students who are Deaf and Hard of Hearing updates previous findings and describes current evidence based practices in teaching literacy to DHH learners Beal Dostal and Easterbrooks provide educators and parents with a process for determining which literacy and language assessments are appropriate for individual DHH learners and whether an instructional practice is supported by evidence or causal factors They describe the literacy process with an overview of related learning theories language and literacy assessments and evidence based instructional strategies across the National Reading Panel s five areas of literacy instruction phonemic awareness phonics vocabulary fluency and comprehension The volume includes evidence based writing strategies and case vignettes that highlight application of assessments and instructional strategies within each of these literacy areas Crucially it reviews the remaining challenges related to literacy instruction for DHH learners Educators and parents who provide literacy instruction to DHH learners will benefit from the breadth and depth of literacy content provided in this concise literacy textbook
