Meaning Of Marriage Study Guide:

The Meaning of Marriage Study Guide Timothy Keller, Kathy Keller, 2015-09-29 Timothy and Kathy Keller will show you a portrait of marriage as it is meant to be according to the Bible by first throwing out most of what we've been taught about love. Modern culture would have you believe that everyone has a soul mate, that romance is the most important part of a successful marriage, that marriage does not mean 'til death do us part' but merely for as long as my needs are being met, and that when serious differences arise, divorce is the best solution. But all of these modern-day assumptions miss what marriage is really about. In this six-session video-based Bible study DVD, digital video sold separately, Timothy Keller along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental yet hopeful and beautiful. This study is for anyone from singles to couples considering marriage to those who have been married for any length of time. Sessions include: Service Marriage Isn't about You, Covenant Created to Make Promises, Roles, Loving through Mutual Submission, Singleness, Strengthening the Spiritual Family, Sex, The Act of Covenant Renewal, Hope, Seeing the Great Horizon. that long ago it was assumed by many in American society that traditional marriage not only involved a man and a woman but the man was the head of the household and the woman was a homemaker The man earned the money and the woman cared for the children and kept the house in order Then came the idea that husband and wife were equal partners in the marriage In most cases both partners worked outside the home and they shared more equally the duties of the home Today the definition of marriage has evolved one more time to include same sex couples So when we talk about marriage in the twenty first century at least in the United States and a number of other nations around the globe we must remember that the legal definition if not the religious one includes both gay and straight couples Yes these are interesting times Dr Bob Cornwall It is the hope of both Dr Cornwall and Energion Publications that there will be more dialogue during this study and less diatribes
