Savell, G... T... King, Z... L... Carpenter, 1994 Meat & Poultry, 1997 **The New Livestock Farmer** Rebecca Thistlethwaite, Jim Dunlop, 2015. How can anyone from a backyard hobbyist to a large scale rancher go about raising and selling ethically produced meats directly to consumers, restaurants and butcher shops? The regulations and logistics can be daunting enough to turn away most would-be livestock farmers, and finding and keeping their customers challenges the rest. Farmer consultant and author Rebecca Thistlethwaite and her husband and co-author Jim Dunlop both have extensive experience raising a variety of pastured livestock in California and now on their homestead farm in Oregon. Each species chapter discusses the unique requirements of that animal, then delves into the steps it takes to prepare and get them to market. **Meat Business Magazine**, 1994 **Culinology** Research Chefs Association, 2016-02-29. Culinology: The Intersection of Culinary Art and Food Science will demonstrate how the disciplines of culinary arts and food science work hand in hand in the research and development of new manufactured food products for the commercial retail and foodservice industries. It will be the authoritative source that will add value and relevance to this growing discipline and its practitioners. Integrating culinary arts with food science and technology, this book provides the best strategy for developing successful food products on a large scale. Real world applications and business models ground the book and clearly illustrate how the concepts and theories work in business and industry. *Retail Meat Management Practices* Jeffrey Miller Thomas, 1994 Lancaster Livestock Reporter, 1992 **Dissertation Abstracts International**, 1978 **Laboratory Manual for Meat Science** Gordon C.
