IPC Training Systems provides a comprehensive Training Needs Analysis survey tool that helps identify areas of knowledge gaps for individuals and teams. The survey is divided into 10 sections, each of which represents a major subject area and will be collected in a number of results and the completion of your analysis.

As part of this effort, we will analyze the results and give you a detailed report of your knowledge gaps, and identify specific IPC Technical Skills courses that meet those knowledge gaps. This analysis also demonstrates to you the correlation your knowledge survey completion to your training program up and coming in a detailed report.
