Meadows Are Forever Ryan Field:

Meadows Are Not Forever Ryan Field, 2015-11-25 Cade Johnston has been trying to break into show business without luck and now he has a chance to audition for a new TV show on a major network. He missed the Hollywood auditions so he decides to travel back home to the deep rural countryside of Southern New Jersey and audition in Philadelphia where there are a few surprises in store. He arrives at his mother and father's old brick plantation style house for the first time since he graduated high school without knowing what to expect. He hasn't had much contact with them since he came out of the closet seven years earlier and he doesn't know how they feel about him being gay or if they even care anymore. With all the obstacles Cade faces before the audition, he discovers a few things about himself he didn't know. And when he meets a fascinating man, he's determined to concentrate more on love that's going to last because he's tired of having nothing that lasts forever.

A Starr is Born Ryan Field, 2019-06-26 Written by Lambda Award winning author Ryan Field. *A Starr Is Born* is a queer retelling of an old rags to riches trope that's been reinterpreted many times, but this time it's totally different with gay main characters, a gay love story, and a gay male point of view. It's partly a light-hearted parody and partly sarcasm. It's also highly erotic and charged with authentic emotional gay male romance. From the day they meet for the first time until the day their lives change forever, Harrison Parker and Morton Starr were destined for greatness and each other. *A Starr is Born* follows the paths of handsome, badly behaving rock star Harrison Parker and sexy gender bending performer Morton Starr, who is just starting his career. Morton is so madly in love with his husband Harrison, he'll do anything to please him, including overlooking all his self-destructive issues. However, as openly gay Morton gains more fame and success in the mainstream with his popular gay love songs and his unique gender bending image, and Harrison continues to slide downhill, there comes a point where everything has to change. And when that climax finally happens, Morton isn't certain about anything in his future or his marriage.

When Harry Met Sal Ryan Field, 2023-02-17 Lambda award winning author Ryan Field wrote this gay romance as part of his series of novels retelling beloved romcoms with gay characters. Inspired by the romcom classic Nora Ephron movie *When Harry Met Sally* about two friends who finally realize how much they love each other after many years, this novel is an homage to the power of romantic story telling and the power for true love. When Harry Beckham's best friend asks him to drive her new casual boyfriend Sal Sorentino from California to New York, Harry never expected they'd wind up as lovers. Their first night on the road, Harry just assumes that Sal is straight and Harry already has a boyfriend of his own back in San Francisco. But when Sal explains that he's bisexual and that he's extremely attracted to Harry, everything changes. Harry tries to resist the mutual attraction, but all it takes is one simple kiss and they both wind up having the best sex of their lives on a cross country road trip. When they reach New York, they agree to go their separate ways and forget about each other. Harry becomes a well known designer who does national talk shows, and Sal becomes a professional poker player who lives in a mansion and owns a pet pig named Dolly. And by the time they meet up again, seven

years later their lives have changed completely But that doesn't stop the passionate physical connection between them from surfacing again Though all the odds seem to be against them their physical relationship evolves into mutual love and respect And this unyielding love they feel for each other turns out to be stronger than anything they could have imagined When Harry Met Sal was definitely one of my early reads in the M M genre and it was one of the books that for the longest time I would reread every time I couldn't find a sweet funny romance that made me smile and laugh this was my go to book

Goodreads Reader **Sleepless in San Francisco** Ryan Field, 2018-12-23 It is hard to believe that it's been 25 years since the classic romance Sleepless in Seattle warmed the hearts of theatergoers Best selling M M author Ryan Fields gives us his unique reinterpretation of this classic theme with Sleepless in San Francisco When young Noah Richardson sends an email to the producers of the home renovation show Dream Away he has no idea that the host of the show Jonathan Haynes will be intrigued and touched by his sad story Noah his recently widowed father and their black lab Tucker have relocated to San Francisco to start a fresh new life and heal their wounds And their new house is in dire need of renovation Jonathan Haynes is desperate to find an interesting house to film for the show So he gets on a plane and flies to San Francisco the day after he reads Noah's email But Jonathan soon finds out that Noah's father Ed doesn't know about Noah's email and he has to convince him to do the show The fact that Ed and Jonathan wind up on the living room floor having passionate sex during their first meeting doesn't help Ed finally agrees to do the show By the time construction begins Ed and Jonathan can't get enough of each other They start having secret encounters to satisfy their desires never realizing they are building a solid relationship at the same time Then a series of events takes control of their lives and changes them all forever Ed's not sure what to do He's in love with Jonathan and he can't get enough of Jonathan's body But he feels guilty about starting a new relationship with anyone So he wrestles with the conflict and begs for a sign to help him decide what to do which leads to a surprise ending that none of them could have predicted
