Ipad Same Day Delivery Customer Service:

Internet Retailing and Future Perspectives Eleonora Pantano, Bang Nguyen, Charles Dennis, Sabine

Gerlach, 2016-12-08 Since the first edition of this landmark textbook online shopping has grown exponentially to the point that it now threatens to eclipse the high street. With online retail offering both advantages and challenges that are distinct from traditional commerce, this textbook provides new approaches to retailing and as such helps readers to take advantage of new digital technologies. This long-awaited new edition provides a thorough and substantial update to its solid core principle of digital retailing and its relationship with conventional retail methods. These principles are explained clearly and practically to provide students, entrepreneurs, and researchers with a reliable guide to the implementation and operation of a successful online retailing business. Updates to this edition include Search engine marketing and search engine optimization. New and updated case studies including Tesco's virtual store, Ray-Ban's smart mirror, IKEA's mobile catalogue, and Nordstrom's TextStyle. Social networks and electronic word of mouth communication. A new chapter on ubiquitous retailing. With accessibly written features such as key learning points, questions, think points, and further reading, **Internet Retailing and Future Perspectives** is ideal for anyone studying or researching digital commerce.

Customer Service for Hospitality and Tourism Simon Hudson, Louise Hudson, 2012-11-02 Customer service is of critical importance for the tourism and hospitality sector now more than ever before, as customers are looking to increase value for money and are less forgiving of mediocre service. However, despite its importance, quality customer service is the exception rather than the norm in many parts of the world. **Customer Service for Hospitality and Tourism** is a unique text and vital to both students and practitioners, as it explains not only the theory behind the importance of customer service but also acts as a guidebook for those wishing to put this theory into practice. In essence, it is the whys and hows of customer service. It is easy to read, very current, and full of references to all the latest research from both academic and practitioner literature. Chapters cover important topics such as the financial and behavioural consequences of customer service, consumer trends influencing service development, and maintaining a service culture. Managing service encounters, the importance of market research, building and maintaining customer relationships, providing customer service through the servicescape, the impact of technology on customer service, the importance of service recovery, and promoting customer service internally and externally. Key features include an 'At Your Service' Spotlight at the beginning of each chapter, focusing on the achievements of successful individuals related to the art of customer service. Each chapter contains a Service Snapshot, short real-life cases to illustrate a particular concept or theoretical principle presented in the chapter. Detailed international Case Studies which cover a variety of sectors, organizations, and regions designed to foster critical thinking. The cases illustrate actual business scenarios that stress several concepts found in the chapter. They analyze customer service in the U.S., South America, South Africa, Europe, Russia, Australia, China, Canada, Korea, and Dubai.

Gamechangers Peter Fisk, 2015-01-27 Shake up and redefine the

market by changing your game A new generation of businesses is rising out of the maelstrom of economic and technological change across our world These companies are shaking up the world In *Gamechangers* Peter Fisk has sought out the brands and businesses large and small from every continent who are changing the game and shows how we can learn the best new approaches to strategy and leadership innovation and marketing from them *Gamechangers* are disruptive and innovative they are more ambitious with stretching vision and enlightened purpose They find their own space then shape it in their own vision Most of all they have great ideas They outthink their competition thinking bigger and different They don't believe in being slightly cheaper or slightly better Why be 10% better when you could be 10 times better *Gamechangers* is built around 10 themes that are shaping the future of business brought to life with 100 case studies from across the world and 16 practical canvases to make the best ideas happen in your business The book is supported by a range of seminars workshops and digital resources *Gamechangers* offers guidance on Thinking smarter and acting faster Embracing the new tricks of business Understanding how gamechangers dream and disrupt Delivering practical results and winning
