Another Twinkle in the Eye Elaine Hanzak, 2017-09-06 Another Twinkle in the Eye is an essential guide for anyone contemplating another pregnancy after perinatal mental illness. The decision to bring a child into the world is rarely one that is taken lightly. When a previous pregnancy and early parenthood has resulted in poor maternal and/or paternal perinatal mental health, making a conscious decision to have another baby can be even more challenging. This unique book provides facts, resources, and discussion points to support people in making informed and comfortable decisions. It is also an essential resource for health professionals who support or are involved in the decision-making process of couples planning another pregnancy. The author combines personal experience with real-life stories from other parents. Also included are contributions from healthcare professionals. The book offers comprehensive coverage across five key areas: Reflection on the previous pregnancy, miscarriage or stillbirth; Decisions to be made when considering another pregnancy; Ways to plan for and to have a healthier experience; The role of healthcare professionals and facilities; and Self-help and complementary techniques for good mental health in the perinatal period.

Writing for Money in Mental Health William Winston, Douglas H. Ruben, 2021-12-12 Offering a simple-to-follow roadmap for scholars, practitioners, and journalists seeking payable markets for their works, *Writing for Money in Mental Health* is your authoritative guide to the inner circle of writing for dollars on mental health topics. For psychiatrists, psychologists, occupational physical and vocational therapists, allied health practitioners, and journalists specializing in mental health topics, this book guides you through the obstacles of choosing topics, locating suitable placements, meeting submission criteria, and facing the fear of rejection. The book's focus on how to write stimulating articles and book proposals, translate technical jargon into plain English, and stay up-to-date with insider tips will help you supplement your paycheck in a time of shrinking referrals, clients, and opportunities for income. As the first complete handbook for aspiring professionals seeking consumer and commercial outlets for their writing, *Writing for Money in Mental Health* describes proven strategies for low and high-profit results in scripting mental health ideas without painstaking effort. You'll use this handy guide to discover how to write for money instead of pure scholarship, how to alter your style for the consumable public market, new markets in multimedia typically overlooked in mental health writing, nontraditional paths to publication, how easy writing for the public can be, especially for money. Along with inspirational instruction and invaluable trade secrets at the heart of manuscripts sales, each chapter provides you with a detailed list of resources. These annotated entries, culled from questionnaires returned from editors, publishers, and other media personnel, list key editorial data on magazines, book publishers, and other multimedia purchasers open to submissions in the mental health field whose products are for tabloid or mass appeal.

Brains Explained Micah Caldwell, Alison Caldwell, 2021-06-22 Neuroscientist Alie Caldwell and clinical therapist Micah Caldwell created the YouTube channel *Neuro Transmissions* in 2015 with a singular mission in mind: explain the brain simply. Whether it's delving into the neuroscience of street drugs or illustrating the

psychology of cat behavior Alie and Micah break down that impossibly complex organ living in your head without all the jargon Their first book will expose the fascinating often shocking stories about the brain and have you ditching the dusty textbooks This book scrutinizes the sometimes dubious history of brain science from a modern perspective wanders through explanations about how your senses trick you into believing some wild things speculates about whether we ll be able to upload our consciousness to the Matrix and so much more With two exceptional authors and an unbelievable number of intriguing and educational brain facts Brains Explained is sure to be one of the most cherished popular science titles on your bookshelf for years to come [Current Affairs March 2019 Capsule Testbook.com,2019-04-08 Download Current Affairs](#)
