In Deep with the FBI Agent Lynne Silver, 2016-01-12 PASSION UNCOVERED To Casey Montgomery Prep isn't just DC's most prestigious private school it's her alma mater the place where her fondest memories were made It's also her current employer and the target of a dangerous cyber criminal But even more shocking than the crime is the sexy FBI agent who comes to investigate With his six plus frame and gym sculpted body no one would suspect FBI special agent Sam Cooper was once an awkward teenage computer geek no one that is except Casey the gorgeous girl who captured his heart on the first day of high school and held it for the last fourteen years When a hunt for a hacker brings Casey back into Sam's life his long denied desire becomes impossible to ignore He knows just how to make her forget the boy he was and show her the man he's become

Stores, 1978 Rethinking Biblical Scholarship Philip R. Davies, 2014-09-03 Rethinking Biblical Scholarship brings together seminal essays to provide readers with an assessment of the archaeological and exegetical research which has transformed the discipline of biblical studies over the last two decades The essays focus on history and historiography exploring how scholarly constructs and ideologies mould historical literary and cultural data and shape scholarly discourse Most of the essays illustrate the development of what has been called a minimalist methodology Among the many central topics examined are the formation of the Jewish scriptural canon and how the concepts of prophecy and apocalypse illuminate the emergence of Judaism in the late Persian and Hellenistic periods

Key Readings in Journalism Elliot King, Jane Chapman, 2012-11-12 Key Readings in Journalism brings together over thirty essential writings that every student of journalism should know Designed as a primary text for undergraduate students each reading was carefully chosen in response to extensive surveys from educators reflecting on the needs of today's journalism classroom Readings range from critical and historical studies of journalism such as Walter Lippmann's Public Opinion and Michael Schudson's Discovering the News to examples of classic reporting such as Carl Bernstein and Bob Woodward's All the President's Men They are supplemented by additional readings to broaden the volume's scope in every dimension including gender race and nationality The volume is arranged thematically to enable students to think deeply and broadly about journalism its development its practice its key individuals and institutions its social impact and its future and section introductions and headnotes precede each reading to provide context and key points for discussion

The Law for Energy Prosumers Daniela Aguilar Abaunza, 2022-08-29 This book argues that law has a vital role in shaping the electricity system to enable a more active role for consumers in liberalised electricity industries To do that this book offers a unique legal perspective of the Netherlands New Zealand and Colombia to help understand some of the current legal approaches to prosumers and therefore the legal challenges and opportunities facing Law and regulation have the role of creating a level

playing field for emerging participants such as prosumers to participate and compete in the market together with traditional actors bringing not only more competition but also representing a more sustainable environmental and democratic way to supply energy Furthermore law and regulation have the role of responding to innovation and creating space for technological advances to procure the changes in the industry without delay This book examines some of the legal barriers for the raise of energy prosumers The traditional role of the distributor when responding to increasing distributed generation in the network prosumers unable to decide to whom they can sell their electricity to the price of the energy or even whether to participate more actively in demand response programs A further issue is the lack of clarity about whether small prosumers are entitled to consumer protection rights and legal challenges regarding configuration access to the network access to markets and strict unbundling rules for community energy projects This book provides a clear analytical and informed approach to understanding the regulatory framework around energy prosumers It will appeal to policy makers lawyers individuals business entrepreneurs or communities wanting to engage in energy projects as well as academics researchers and students
