Delusive Speech in the Sharing Economy Julie Reid,2025-03-04 In this examination of how the rise of online sharing economy platforms has facilitated online crime this book shows how while marketed as trustworthy peer to peer services these platforms are highly vulnerable to misuse by scammers and are used for the dissemination of delusive speech The analysis centres around the concept of delusive speech a sub set of disinformation designed to deceive and motivate by criminal intent Looking beyond the economic and disruptive impacts of sharing economy platforms like Uber Airbnb and others this book situates these Big Tech giants as mass communication channels that are frequently misused by bad actors to distribute dangerous content globally Drawing from over 600 cases of victims lured into scams or physical danger via misleading Airbnb listings the book provides a detailed case study exposing Airbnb s failure to establish legitimate safety measures despite branding its platform as a community of trust Incorporating netnography and thematic analysis the author theorises the deceptive semiotic structure of delusive speech and evaluates practical mechanisms Airbnb could employ to prevent scams and crime on its platform With a global audience including researchers in communication and media studies digital media and media industries as well as tech journalists Silicon Valley critics policymakers and digital rights advocates this book unmasks how sharing economy giants like Airbnb contribute to an epidemic of online deception causing real world harm *Short Stories by Present-day Authors* Raymond Woodbury Pence,1922 **Deliberately Digital** Hubert

Tardieu,David Daly,José Esteban-Lauzán,John Hall,George Miller,2020-02-05 The digital revolution is changing virtually every aspect of the business world However most attempts at the digital transformation of enterprises fail largely because of a lack of comprehensive and coherent strategy This book takes lessons learned from the rise of the digital platform giants and explores how they can be adapted and effectively applied to established businesses allowing them to compete within the new digital business paradigm Offering a holistic perspective on the business and technology landscape the book describes the megatrends evolution and impact of digital technologies and business models It brings together what for many is a disjointed set of business transformation imperatives to provide a practical guide to digital success Drawing on the authors decades of experience in supporting transformation and innovation the book lays out a path to a progressive iteration of business change and value realization balancing the perspectives of revolutionary transformation and change enabling optimization The Century Josiah Gilbert Holland,Richard Watson Gilder,1920 **Billboard** ,1948-10-02 In its 114th year
