Venkataraman,Jeffrey K. Pinto,2018-11-29 Operations Management Managing Global Supply Chains takes a holistic integrated approach to managing operations and supply chains by exploring the strategic tactical and operational decisions and challenges facing organizations worldwide Authors Ray R Venkataraman and Jeffrey K Pinto address sustainability in each chapter showing that sustainable operations and supply chain practices are not only attainable but are critical and often profitable practices for organizations to undertake With a focus on critical thinking and problem solving Operations Management provides students with a comprehensive introduction to the field and equips them with the tools necessary to thrive in today s evolving global business environment Maybe Tomorrow Penny Parkes,2023-06-22 What a difference a year could make Jamie Matson had once enjoyed a wonderful life working alongside her best friend organising adventures for single parent families and her son Bo s artistic flair a source of pride rather than concern She hadn t been prepared to lose her business her home and her friend Not all in one dreadful year And now she finds herself reeling

rebuilding her world with Bo at its heart swallowing her pride and asking for help Jamie certainly hadn't expected to find such hope and camaraderie in the queue at her local Food Bank thrown together with an unlikely and colourful group of people all of them struggling to get by yet still determined to reclaim their lost careers and agency over their lives Even if just choosing their own groceries again is a goal they can all share As their friendships flourish they quickly find it's easier to be objective about each other than about themselves and decide that when you're all out of options it's okay to bend the rules a little and create your own A story of friendship possibilities and hope that maybe tomorrow will be brighter than today

The Defector Alan Refkin, 2023-02-20 Gunter Wayan is again in over his head accepting an assignment from the Indonesian Minister of Defense that sends him Eka and Persik to Russia to rescue a defecting scientist and his wife from the FSB Before they leave the Minister makes clear that if they're captured the government will deny any involvement and say they acted alone rather than create a diplomatic incident The defector a Ukrainian scientist on the brink of achieving the holy grail of camouflage technology which is making a moving object invisible was kidnapped from his lab near Odesa and brought to a facility in downtown Moscow To motivate the scientist to complete his work his wife is taken to Oymyakon the coldest inhabited settlement on earth and placed under FSB guard If he's unsuccessful in delivering the technology she'll live the remainder of her life there without him With the Indonesian embassy across the street from his lab he finds a way to communicate with an official offering his technology in exchange for getting him and his wife out of the country To accomplish this nearly impossible task they decide to first rescue the wife from the Siberian settlement which has no airport and is a fourteen hour drive over snow covered roads from the nearest town then evade capture on their thirty three hundred mile trek across the Russian Federation to retrieve the scientist As if things couldn't get more complicated soon after entering the country they learn that the Minister's plan for getting the couple out of Russia has fallen through and that once they rescue the couple it's up to them to find a way to get them out of a country which has the tightest border security in the world
