College Admission Robin Mamlet, Christine VanDeVelde, 2011-08-16 College Admission is the ultimate user's manual and go-to guide for any student or family approaching the college application process. Featuring the wise counsel of more than 50 deans of admission, no other guide has such thorough, expert, compassionate, and professional advice. Let's be honest: applying to college can be stressful for students and parents. But here's the good news: you can get in. Robin Mamlet has been dean of admission at three of America's most selective colleges and journalist and parent. Christine VanDeVelde has been through the process first-hand. With this book, you will feel like you have both a dean of admission and a parent who has been there at your side. Inside this book, you'll find clear, comprehensive, and expert answers to all your questions along the way to an acceptance letter. The role of extracurricular activities. What it means to find a college that's the right fit. What's more important: high grades or tough courses? What role does testing play? The best candidates for early admission. When help from parents is too much help. Advice for athletes, artists, international students, and those with learning differences. How wait lists work. Applying for financial aid. This will be your definitive resource during the sophomore, junior, and senior years of high school. [Student Financial Assistance](#) United States. Congress. House. Committee on Education and Labor. Special Subcommittee on Education, 1974.

Preparing for Doctoral Study in Nursing - E-Book Laura A. Taylor, Mary F. Terhaar, 2023-08-03 Are you ready to take your nursing career to the next level? Preparing for Doctoral Study in Nursing: Making the Most of the Year Before You Begin helps you make an informed decision about entering doctoral studies and choosing the nursing credential that helps you reach your career goals. Noted educators and doctoral mentors Laura A. Taylor and Mary F. Terhaar, along with a team of nursing leaders and scholars, describe the big picture for nurses educated at the highest level of scholarship, including the rising demand for advanced practice nurses and the future of nursing. The first and only comprehensive guide to preparing for a doctorate in nursing, this book helps you choose your path, make your decision, and develop a plan for success in doctoral study. Grounded in more than a decade of experience in preparing nurses for doctoral study, this one-of-a-kind text is the first comprehensive guide to the year before you apply. Fifteen chapters provide practical information and guidance to help you navigate the challenges on your journey. Historical overview of doctoral education in nursing creates a clear picture of present and future demand. Clear explanation of the different degrees and the careers they support helps to build confidence in your decision about which to pursue. Sixteen personal narratives describe a broad range of career paths open to nurses who earn doctoral degrees and introduce the nurse leaders who have walked them. Online Evolve Resources include podcasts that bring the experiences of contributing authors to life. Additional Evolve Resources include practical forms, worksheets, planners, and representations of models referenced in the text. Illustrations clarify complex content, helping to make it more memorable and useful, and links to additional online resources serve as a springboard for additional learning. The diversity of the contributors' backgrounds, interests, and accomplishments gives you a
