The Rough Guide to Shanghai Simon Lewis, 2014-07-01 The Rough Guide to Shanghai is the ultimate insider's guide to China's brash new mega city. Having hosted the extravagant 2010 world expo, Shanghai is muscling forward to take its place alongside such financial powerhouses as Tokyo and London. But it's no longer just about China's rising business clout in everything from fashion and art to cutting edge architecture. Shanghai is making waves. All the major and offbeat sights of this notoriously fast changing city are covered in this fully revised third edition from the glorious newly renovated Bund set to become China's Champs Elysee to huge new cultural markers such as the Power Station of Art to chic shopping district Tianzifang. Cutting through the hype, this guide reveals the best places to shop from malls to backstreet tailors to sleep, whether you want a youth hostel, trendy boutique hotel or luxury pad, and to eat from the glitziest destination restaurants to the best street dumplings. For when the pace of the city gets too frantic, there's all you need to know for great day trips to tranquil canal towns such as Wuzhen or Suzhou. Easy to read, full color maps are provided throughout the guide, plus there's a handy subway map and the pinyin and Chinese characters are given for all attractions and venues. Make the most of your trip with *The Rough Guide to Shanghai*. *Turbo-Mom's Guide to Saving Money Without Wasting Time* Kristin Delfau, 2009 Delfau provides well researched, straightforward advice and guidance on insurance, taxes and investments, direct from the tax and financial professionals. **Columbia Guide to New York 2005 Edition** Inside New York, 2004-08 Inside New York is the most up to date guidebook for NYC. Packed with information on the essentials for surviving and thriving in the city, Inside New York also reveals the secrets New Yorkers guard closely about the very best places to eat, drink and unwind. The target readers for Inside New York are New York's 18-35 year old newcomers. The witty and unconventional wisdom that the guide offers is invaluable for any newcomer to New York. Inside New York is a non profit guide produced at Columbia University. Each year over 100 New York area schools, law firms, investment banks and other businesses purchase Inside New York for their newest students and employees. The Rough Guide to Los Angeles & Southern California Rough Guides, 2013-10-24 The Rough Guide to Los Angeles Southern California is the definitive guide to the region. Whether you're looking for inspiring accommodation or great places to eat, you'll find the solution with hundreds of restaurant, hotel, nightlife and shop reviews. Along with a thorough look at LA's top tourist areas from Hollywood and Beverly Hills to Santa Monica and Disneyland, the guide explores more obscure but no less deserving sights like Downtown's arts district and Santa Catalina Island. Additionally, the book covers the broader Southern California region including San Diego, Palm Springs and Santa Barbara. Accurate maps and comprehensive practical information from city transport and tours to costs and currency help you get under the skin of the region, whilst stunning photography and an inspirational introduction make this your ultimate travelling companion to this free spirited American metropolis. Originally published in print in 2011, Make the most of your trip with *The Rough Guide to Los Angeles Southern California*. absolute commitment to free speech had badly lost its way He blamed it for the proliferation of what he called the woke mind virus and claimed that the survival of democracy and the human race itself depended on the future of the site In January of 2022 Musk began secretly accumulating Twitter stock By April he was its largest shareholder and soon after made an unsolicited offer to purchase the company for the unimaginable sum of 44 billion dollars Backed into a corner Twitter's board accepted his offer but Musk quickly changed his mind forcing Twitter to sue him to close the deal in October The richest man on earth controlled one of the most powerful media platforms in the world but at what price Before long Twitter would be gone for good replaced by something radically different as Musk remade the company in his own image from the ground up The story of the showdown between Musk and Twitter and his eventual takeover of the company is unlike anything in business or media that has come before In vivid cinematic detail Conger and Mac follow the inner workings of the company as Musk lays siege to it first from the outside as one of its most vocal users and then finally from within as a contentious and mercurial leader Musk has shared some of his version of events but Conger and Mac have uncovered the full story through exclusive interviews unreported documents and internal recordings at Twitter following the billionaire's takeover With unparalleled sources from within and around the company they provide a revelatory three dimensional and definitive account of what really happened when Musk showed up spoiling for a brawl and intent on revolution with his merciless sycophantic cadre of lawyers investors and bankers This is the defining story of our time told with uncommon style and peerless rigor In a world of viral ideas and emotion who gets to control the narrative who gets to be heard and what does power really cost
