

TOP 3 TIPS

FOR A PERFECT COVER LETTER

- 1 Make it easy to read** (and match it with your resume)
Font: Choose one of our recommended resume fonts. Don't set the font size below 12 points. **Margins:** Set your cover letter's margins to 1" or 1.5". Depending on how long or short your cover letter is, you should play with the margins.
- 2 Keep it to a single page**
Hiring managers are pressed for time. They won't read a multi-page cover letter — its very length would indicate that you're a rambling, imprecise, and therefore unappealing candidate anyway.
- 3 Write unique cover letters for each company**
Every company has a unique problem they're trying to solve through hiring. Even if you're sending out several applications for the same position, tailor your cover letters to individually address each company's problems.
