Unity A.T. Peoples,2021-09-02 Unity By A T Peoples As a small child the author remembers asking his mother for candy toys and other trinkets but no matter what it was his mother would always say they couldn t afford it and that life isn t fair That statement began to consume his thoughts Why wasn t life fair If you direct it fair really means balanced or equal Just what it would take to give each and every person a fair chance at their version of success Then it occurred to the author that a true guide for world peace must be written by people from all over the world That is to say that the ideas and proposals within Unity are merely a guide or template In the end the solution to world peace must be created by all the people of the world Furthermore all people must be heard because we all have our individual gifts to offer this world **Safeguarding**
