

A full-page background image featuring a dramatic sky at sunset or sunrise. The sky is filled with large, billowing clouds in shades of deep blue, magenta, and pink. A bright light source, likely the sun, is visible near the horizon, creating a strong glow and reflecting on the water below. The water is calm, mirroring the colors of the sky. In the foreground, there is a dark, silhouetted shoreline with some reeds or grass. The overall mood is serene and contemplative.

Anxiety Relief Near Me:

Panic Attacks Paul Ianni, 2012-10-01 In *Panic Attacks Why They Were Worth Experiencing* author Paul Ianni talks about his life and what has led to his panic attacks which began at age fifty. He hopes that by sharing his experiences others might be able to better understand their own issues. He believes that many people don't acknowledge the fact that they have panic attacks; they just put on a brave face and ignore them. At the height of his panic attacks, he was desperate for a miracle cure, but he soon discovered that there was no such thing. A year after the first panic attack, his life was back to normal, and it was then that he realised his normal life had always been full of anxiety and fear. Using techniques that had previously helped him overcome academic difficulties, Paul was able to transform his life from panic and anxiety to peace and love. He conquered a lifetime of self-doubt and self-defeating negativity, learning to use his brain in a positive way to defeat his panic attacks. These techniques are simple to use and achievable by anyone. Combining them with what he has learned about new age thinking, *Panic Attacks* share what enabled Paul to turn his life around and offers hope to those suffering under the same troubles.

The Dealmaker Guy Hands, 2021-11-04 An inside account of the multi-billion pound world of private equity and a masterclass on the art of deal making. *The Dealmaker* is a frank and honest account of how a severely dyslexic child who struggled at school went on to graduate from Oxford and become a serial entrepreneur. It describes Guy Hand's career in private equity, first at Nomura and then as head of his own company, Terra Firma. It looks in detail at the huge deals that Terra Firma has done over the years, involving everything from cinema chains and pubs to waste management, aircraft leasing and green energy. And it offers a brutally honest appraisal of the deal that almost bankrupted him: the acquisition of multinational music recording and publishing company EMI in 2007, just as a global financial crash loomed on the horizon. Above all, he gives the reader a real sense of what it's like inside the secretive world of private equity, describing in frank detail the pressures and rewards involved. Insightful and page-turning, *The Dealmaker* will prove inspirational and essential reading for all those who want to understand how huge business negotiations are done and what makes one of private equity's biggest players tick.
