Crash Course in Readers' Advisory Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy This crash course will furnish you with the basic practical information you need to excel at readers advisory RA for adults and teens The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous Often uncertainty arises because although librarians are called on to perform such services daily readers advisory is a skill set in which most have no formal training This guide will remedy that It is built around understanding books reading and readers and will quickly show you how to identify reading preferences and advise patrons effectively You'll learn about multiple RA approaches such as genre appeal features and reading interests and about essential tools that can help with RA Plus you'll discover tips to help you keep up with this ever-changing field There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds Helping readers find what they want is a sure way to serve patrons and build your library's brand You will come away from this easy-to-understand crash course with the solid background you need to do both

Literature's Social Lives Günter Leypoldt, 2025 This book draws from literary sociology to look at literature in a longue durée from Romantic poetry to the Toni Morrison novel It proposes a new value theory and sketches an institutional history of US and Anglophone literary culture from 1800 to the present Its bifocal institutional and value theoretical lens offers a fresh look at literary production explaining the tension of vocation and trade regimes since 1800 the relevance of subsidies to authors of high literary ambition the network dependency of avant gardes and identity groups the institutional prerequisites of world literary iconicity and the diversification and ranking of reading cultures

Literature and Social Media Bronwen Thomas, 2020-01-31 From Instapoetry to BookTube contemporary literary cultures and practices are increasingly intertwined with social media In this lively and wide-ranging study Bronwen Thomas explores how social media provides new ways of connecting with and rediscovering established literary works and authors while also facilitating the emergence of unique and distinctive forms of creative expression The book takes a 360 approach to the subject combining analysis of current forms and practices with an examination of how social media fosters ongoing collaborative discourse amongst both informal and formal literary networks and demonstrating how the participatory practices of social media have the potential to radically

transform how literature is produced shared and circulated The first study of its kind to focus specifically on social media Literature and Social Media provides a timely and engaging account of the state of the art while interrogating the rhetoric that so often accompanies discussion of the new in this context Steven Universe: End of an Era Chris
