Death and the Seaside Alison Moore, 2019-10-29. Nearing thirty with an abandoned literature degree and half-hearted dreams of becoming a writer, Bonnie Falls gives in to her parents' insistence that she finally move out of their home and takes up residence in a shabby first-floor flat with a concrete garden. When her landlady takes an uncommon interest in her and one of her unfinished stories, Bonnie's aspirations are rekindled, and when Sylvia suggests the two of them take a summer holiday to a seaside town oddly similar to the one in which the story is set, Bonnie is quickly persuaded to accompany the enigmatic older woman. A tense exploration of power and vulnerability, obsession and manipulation, *Death and the Seaside* is a masterpiece of form and gripping psychological novel about the stories that we tell ourselves.

Privileged Victims Eddie Scarry, 2020-02-25. America's worst ideas and people are rising to the top thanks to a rancid culture that has turned every part of our lives into a fight between so-called privilege and entitled brats claiming victim status. The country is under siege, and America's most ferocious enemy is already here: our privileged victims. On university campuses, in the news media, and in Hollywood, race, gender, and sexuality determine who should advance and who should be taken down a peg. Driven by social justice and governed by intersectionality, out-of-control college students, school administrators, journalists, and titans of the entertainment industry divide and rank us on an infinite scale of grievance: the more of them, the better. And God have mercy on any individual deemed to benefit from privilege. *Privileged Victims* zealously exposes the lies and myths behind the MeToo movement that redefined sexual assault and rape to include simple regret, ruining the lives and careers of countless men. Hoax hate crimes, a key feature of the privileged victim class. The debate over our jungle-like immigration system, dumbed down by a scheming national news media to ugly charges of racism and xenophobia. Hollywood, which no longer aims to produce high-quality entertainment but to virtue signal and promote social justice. And so much more. In gripping detail, Eddie Scarry uncovers the perversion behind social justice and its identity-first dogma that's replacing America's meritocracy, tracing its origins in academia and shining a light on the havoc it has wrought.

over the course of three decades Bewildered citizens mistakenly believe that it s a matter of political correctness gone too far or the ailing symptoms of a country that has grown too sensitive The truth is much worse it s a deliberate malignant reorganization of American life and the replacement of merit with mediocrity is the ultimate destination How did everyone in America get so unhappy all of a sudden In part because it pays Eddie Scarry lays out the scam in this infuriating and fascinating book It ll make you never want to complain again just for the sake of being countercultural Tucker Carlson Host of Tucker Carlson Tonight on Fox News and Author of Ship of Fools What I love about Eddie is his courage He knows the outrage mob is constantly coming and he doesn t care Some of us call that being a First Amendment advocate Count me as a fan and a reader Megyn Kelly
