6 Reading 15-30 Minutes

Reading is extremely important for all people. It is a way we feed our brain what it needs to be happy. It is known that some of the most famous and successful people in the world, i.e. Bill Gates, Warren Buffett, and more, spend about 80% of their working days reading and learning new information. However, that might be overkill for most people; just 15-30 minutes every day will make a significant difference.

7 Exercising 10-30 minutes

Maybe this means going for a morning run before the sun wakes you or doing some yoga. It doesn't have to be anything rigorous, but some kind of activity is good. Remember, The Key to Success is consistency. Stay consistent with your routine and observe the results. Good Luck on your Miracle Journey.
