White Sox Redemption Dan Helpingstine, 2025-07-10 Going into the 2005 season the Chicago White Sox had been to only one World Series in 86 years. Haunted by the 1919 Black Sox scandal and the Disco Demolition disaster in 1979, the team had a recent history of near misses where it lost opportunities to appear in the World Series. These historical nightmares and mishaps hovered over the team as it attempted to finally win a world championship in 2005. As a hot Cleveland Indian squad attempted to take the AL Central championship away, the White Sox team and fans worried that past disappointments would be repeated. Not only did the team fight off the Indians, it had an incredible post-season where it lost only one game. In the past, everything went wrong. In 2005, everything went right. The Chicago White Sox finally give their fans something they never thought they'd experience: a world championship. This book covers this earthshaking 2005 victory in fine detail, chronicling the build-up, execution, and aftereffects of an unforgettable series.

Spitting in the Soup Mark Johnson, 2025-11-04 Doping is as old as organized sports. From baseball to horse racing, cycling to track and field, drugs have been used to enhance performance for 150 years. For much of that time, doping to do better was expected. It was doping to throw a game that stirred outrage. Doping is as old as organized sports. From baseball to horse racing, cycling to track and field, drugs have been used to enhance performance for 150 years. For much of that time, doping to do better was expected. It was doping to throw a game that stirred outrage. Today, though, athletes are vilified for using performance-enhancing drugs. Damned as moral deviants who shred the fair play fabric, dopers are an affront to the athletes who don't take shortcuts. But this tidy view swindles sports fans. While we may want the world sorted into villains and victims, putting the blame on athletes alone ignores decades of history in which teams, coaches, governments, the media, scientists, sponsors, sports federations, and even spectators have played a role. The truth about doping in sports is messy and shocking because it holds a mirror to our own reluctance to spit in the soup—that is, to tell the truth about the spectacle we crave. In *Spitting in the Soup*, sports journalist Mark Johnson explores how the deals made behind closed doors keep drugs in sports. Johnson unwinds the doping culture from the early days when pills meant progress and uncovers the complex relationships that underlie elite sports culture—the essence of which is not to play fair but to push the boundaries of human performance. It's

easy to assume that drugs in sports have always been frowned upon but that's not true. Drugs in sports are old. It's banning drugs in sports that is new. *Spitting in the Soup* offers a bitingly honest, clear-eyed look at why that's so and what it will take to kick pills out of the locker room once and for all. **Pittsburgh's Greatest Athletes** David Finoli, 2019-06-24. Author and sports historian David Finoli's inside look at the 50 greatest male and female athletes in Pittsburgh history. Greatness in sport is both undefinable and immediately recognizable. Though it is rare, Western Pennsylvania has been graced with a long history of athletes who embody the essence of greatness. They have proudly represented the region in sports such as boxing, golf, and track, carried their collegiate teams to victory, and worn the black and gold of the Steelers, Pirates, and Penguins. Pittsburghers still recall how Mario Lemieux glided effortlessly through an opposing defense, befuddling the goalie, or Arnold Palmer's unique swing that made the everyday duffer feel like he was one of them. Fans debate whether Terry Bradshaw or Ben Roethlisberger is the better quarterback, and what the legacy of Barry Bonds is while keeping Roberto Clemente among their most cherished icons. Take a deep dive into all of that and more, and re-discover the best of the best in Pittsburgh sports history. **Rise Of The Lions: The Gutsy Comeback Of Penn State Football** Rey Rowe, 2025-04-25.
