Pilates: Full-Body Workouts for a Stronger, Sexier You Jasmine Evans, 2012-07-30 ABOUT THE BOOK Pilates is a kind of exercise that works both the mind and the body It improves strength without necessarily building bulk It also targets the core midsection and other muscles that often get neglected by other activities My introduction to Pilates happened at an early age For most of my life I was considered tall for my age with long legs and big feet My parents thought it would be a good idea to enroll their lanky toddler in ballet classes I continued those classes and other dance classes for over 14 years In high school I was a lean 5 8 ballet dancer and basketball player I still had big feet but they were complemented by long legs long arms and a long neck What did I have to complain about My midsection I was relatively slim but I had a pudgy middle In high school where appearances are everything I wanted to do something about it Fortunately around this time my dance instructor introduced the class to the Pilates method She said that Pilates is based off of the ballet moves many of us had been doing for most of our lives She promised that the method would flatten our midsections and make us feel taller My dance instructor made good on her promise After just 15 20 minutes of Pilates before we started dancing I felt taller Over time I felt slimmer I was hooked I ve been doing Pilates ever since and I love it I ve taken classes and I ve done several Pilates DVDs Of all the activities I participate in everything from running to basketball to kickboxing to Zumba Pilates is one that I always come back to because it is really so effective and important EXCERPT FROM THE BOOK Pull the part of your stomach area that is below your belly button upwards and inwards as if you are pulling it away from your belt line Keep your rib cage relaxed and breathe normally You should be able to feel the muscle contracting in your lower abdomen Another essential skill is being able to activate your pelvic floor Your pelvic floor muscles are at the base of your abdomen They control your bladder and bowel functions They also stabilize not only the pelvis but also the lower back If you have lower back pain are pregnant or experience incontinence learning how to control these pelvic floor muscles can really help How do you activate your pelvic floor Start in neutral spine position Contract the muscles you would use to urinate Breathe as you normally would Once you can handle activating your TA and your pelvic muscles separately try activating them together Ready for some advanced Pilates moves Great Here are six of the most common moves for experienced Pilates pupils Because sometimes it s easier to see the moves being done rather than reading about them many of the links in this section are to videos Advanced Pilates Exercises The Crab The Crab requires complete control from your core so it will give you a great ab workout It builds on exercises like the Roll Up but is slightly more advanced Start by sitting up straight Bend your knees almost Indian style and cross your feet at the ankles Bring your knees up to your shoulders and grab your feet with your hands Drop your head and allow your spine to curve as you prepare to roll Breathe in and roll back Control the movement Try not to let your limbs flail around Once you roll to your shoulders let go of your feet and switch your feet around Grab your feet again as you prepare to roll up Breathe out and roll forward Inhale as your head touches the mat Roll

back to repeat the move Double Leg Kick This move works the back extensors and the hamstrings primarily but it can be a total body exercise as well Start by lying face down with your head turned to one side and your feet together The Pilates Body Kit Brooke Siler,2003-04-05 Pilates is the fastest growing trend in fitness today with millions enjoying its muscle strengthening and body toning benefits In this follow up to her New York Times bestseller *The Pilates Body* Brooke Siler provides a safe effective and personalized Pilates course for home or travel that allows readers to progress at their own pace with a master teacher leading the way This unique interactive kit contains Two 70 minute plus audio CDs containing eight complete classes 70 full color instructional cards with photographs of each pose and breathing and techniques tips A 64 page workbook with a 20 page journal and a record keeping section to track progress Brook Siler was hailed by Vogue as one of America's most sought after Pilates trainers Author of the New York Times bestseller *The Pilates Body* she is owner of the acclaimed re AB studio in New York City where her clients have included Madonna Liv Tyler Amber Valletta and many others She studies under the tutelage of Romana Kryzanowska Joseph Pilates protege for more than 30 years and now sits on the board of the Pilates Guild **Pilates for You** Ann Crowther,2006 *The Pilates Body* Brooke Siler,2000-01-04 The Pilates method may be today's hottest exercise but it has been endorsed by physicians for almost a century Originally developed by Joseph H Pilates to help strengthen and condition muscles Pilates is the ultimate mind body exercise for anyone who wants to tone streamline and realign their body without the bulked up results of more conventional workout methods Now in *The Pilates Body* author Brooke Siler one of the most sought after personal trainers in the country and owner of New York's top studio for Pilates training re AB provides a complete easy to follow program of Pilates exercises that can be done anywhere anytime and without machines With step by step instructions Siler guides the reader through the complete circuit of mat exercises each of which is clearly illustrated by photographs line drawings and unique visualization exercises With Pilates you will not only streamline your figure you will dramatically improve your posture flexibility and balance and enhance your physical and emotional well being *The Pilates Body* shows you how Wall Pilates Workouts for Women Eva Ross,2024-05-23 VIDEO TUTORIAL OF EACH EXERCISE TRANSFORM YOUR BODY IN JUST 10 MINUTES A DAY *Wall Pilates Workouts for Women* by Eva Ross is the busy woman's secret to a toned physique and functional strength without ever stepping foot in a gym Embark on a life changing fitness journey from the comfort of your home Our book is not just about exercise it's a 30 day promise of transformation Say goodbye to costly gym memberships and hello to effective 10 minute workouts that fit seamlessly into your day Why *Wall Pilates Workouts for Women* by Eva Ross is Your Must Have Guide Quick Efficient Workouts Each Pilates move is designed for impact not time consumption Fit a workout into your morning routine or unwind after a day's work all in just 10 minutes Proven 30 Day Challenge Witness a substantial aesthetic and functional transformation of your physique in a month feel stronger look better and move with newfound grace Accessible Easy to Follow With clear real life photos and QR coded video tutorials mastering Pilates has never been simpler
