Walk with Me Paul "Doc" Gaccione, 2023-12-05 This story is going to tell how and why destiny had a man with no literary talent or writing skills along with a very limited vocabulary become an author of five best selling books This book will be the culmination of all the books the author has written According to the FBI and New York Organized Crime Task Force he is a high profile member of the Mafia Never before has this man talked or written about the Mafia In each of his five books he is evasive when it comes to the Mafia allegations brought upon him by law enforcement During the writing of this book he became inspired to be completely truthful about his involvement in the Mafia He says that he will do this without being a snitch which he refers to as a rat During his admission he only speaks of people who are deceased or people who have become rats The author is going to show how one man becoming too powerful within our political structure would be able to jeopardize the democracy of the greatest nation on the face of the earth This fascinating man's story is thrown off the rails when his insight tells him that our nation is under siege He goes on to tell how and why our nation has been recently threatened to have its democracy overthrown Could it be possible that one sick deranged man with too much power could jeopardize the future of our great nation The book offers some humor and many messages but most of all it shows that with an unbreakable determination in one's belief your destiny will be fulfilled This story has one incredible unexplainable event that takes place which will keep you on your toes throughout You will read about this phenomenal occurrence in depth when the story from Beyond the Beyond is told So strap on your seat belts because you are about to take an incredible journey of an old man's quest to bring forth the message from Beyond the Beyond and fulfill his destiny **Indianapolis Monthly**, 2006-09 Indianapolis Monthly is the Circle City's essential chronicle and guide an indispensable authority on what's new and what's news Through coverage of politics crime dining style business sports and arts and entertainment each issue offers compelling narrative stories and lively urbane coverage of Indy's cultural landscape **Rockport's Fitness Walking** Robert Sweetgall, James M.
