The Mitten

Adapted from A Folk Tale from Ukraine by E. Shuster

It was the coldest day of the year, and heavy snow had fallen during the night. Baba needed more firewood to keep warm in her little cottage, so Old Grandfather and his dog went out to gather some in the woods.

Before long, a frog came hopping by and stopped to look. "Who is in there?" he called. "I am," said Mouse from his new home. "Who are you?" "I am Frog, that's who. I'm so cold. Will you let me in?" "No," said Mouse. "Go away!"

After a while, a snowshoe rabbit came hopping by and stopped to look at the mitten. "Who lives in this mitten?" he called. "I am," said Mouse. "Who are you?" "I am Rabbit, that's who. I'm so cold. Will you let me in?" "No," said Mouse. "Go away!"

Dictionary

Topic Vocabulary

cottage
a small house in the country

snout
the long front part of an animal's head, nose, mouth, etc.

boar
a wild pig

Academic Vocabulary

recognize
to know and remember from before

scamper
to run quickly

bristle
to show signs of anger; to stand up stiffly, like a bristle

Write a sentence that includes at least one of the words above.

Understanding Fiction: Folk Tale

A **folk tale** is an old story that was told over and over before it was written down. Look for these things in a folk tale:

- It has an object that is magical, such as a magic lamp.
- The story is about everyday life.
- It has a pattern.
- The characters are animals that talk like people do.

Write your answers to the questions about the folk tale.

1. What object in this story is magical?

2. In everyday life, people sometimes lose something, such as a mitten. What other thing did Old Grandfather do that was part of everyday life?

3. One by one, the animals went into the mitten to keep warm. If you drew the animals in story order, what pattern would you see?

Reading Comprehension Buy Online Setup:

Transferring Language Learning and Teaching From Face-to-Face to Online Settings Giannikas, Christina Nicole, 2022-02-18 Language teaching programs have to respond to the need for distance education with teachers working to transfer their material onto online platforms and or learning management systems LMS even though their materials are not designed with distance learning in mind COVID 19 has led to English language teaching programs extending their teaching online for the unforeseeable future and trying to adjust the material to deliver high quality practice The education emergency caused by the COVID 19 pandemic has revealed that the world needs an education system that favors flexibility and resilience to equip educators to face unpredictable emergencies that may arise Transferring Language Learning and Teaching From Face to Face to Online Settings examines the phenomenon of emergency language education further and provides an avenue for language teachers and researchers to share their experience thoughts and suggestions about transferring their material and teaching approaches from face to face f2f to an online setting The edited volume offers a platform for exploring how the field of language teaching is adapting to changes that have derived from the pandemic with a strong focus on the challenges faced and ways to move forward Covering topics such as digital pedagogy and teacher education it is ideal for instructors faculty trainers instructional designers administrators policymakers researchers teachers teacher educators and students *Language Learning Strategies in Independent Settings* Stella Hurd, Tim Lewis, 2008-10-03 Language learning strategies have been a topic of research for roughly three decades Broadly speaking that research has focused on classroom tuition predominantly at secondary level Increasingly however language learning occurs in independent settings whether at distance on Institution Wide Language Programmes IWLPs or in virtual environments Success in independent language learning is achieved by autonomous individuals with a capacity for self regulation Yet we still know relatively little about the specific means they use to learn effectively whether in terms of the affective strategies they employ to sustain motivation the metacognitive strategies required for planning monitoring and evaluating their learning or the specific cognitive strategies applied to difficult learning tasks These are all discussed and evaluated in *Language Learning Strategies in Independent Settings* **Modulators of Cross-Language Influences in Learning and Processing** Anat Prior, Tamar Degani, Zofia Wodniecka, 2022-06-01 *Research on Technology Use in Multicultural Settings* Tirupalavanam Ganesh, Anna W. Boriack, Jacqueline R. Stillisano, Trina J. Davis, Hersch C. Waxman, 2014-10-01 This book is the third volume in the series on Research in Educational Diversity and Excellence The goal of this series is to bring issues of diversity and educational risk to the forefront of national attention in order to assist the nation s diverse students at risk of failure to achieve academic excellence This series focuses on critical issues in the education of linguistic and cultural minority students and those placed at risk by factors of race poverty and geographic location The purpose of the present book is to summarize and discuss recent perspectives research and practices related to the use of educational technology in

multicultural settings Technology that is already ubiquitous in our daily lives brings a myriad of issues to the area of education Although educational systems should be geared to address challenges appropriately the systems should be designed and developed to provide opportunities to take advantage of technology use This book is noteworthy in that it presents a variety of theoretical and practical considerations for technology use in diverse multicultural contexts Consisting of 12 chapters the book a proposes theoretical concerns for understanding technological learning environments today and envisions the potential impact of future technology use and b examines technology tools and models that have been used for interventions programs and projects and measures and documents specific outcomes and challenges involving complex interactions within low income and languageminority families and students

Universal Design for Learning in the Classroom Tracey E. Hall, Anne Meyer, David H. Rose, 2012-07-31 Clearly written and well organized this book shows how to apply the principles of universal design for learning UDL across all subject areas and grade levels The editors and contributors describe practical ways to develop classroom goals assessments materials and methods that use UDL to meet the needs of all learners Specific teaching ideas are presented for reading writing science mathematics history and the arts including detailed examples and troubleshooting tips Particular attention is given to how UDL can inform effective innovative uses of technology in the inclusive classroom Subject Areas Keywords assessments classrooms content areas curriculum design digital media educational technology elementary inclusion instruction learning disabilities literacy schools secondary special education supports teaching methods UDL universal design Audience General and special educators in grades K 8 literacy specialists school psychologists administrators teacher educators and graduate students

Disciplinary Literacy Connections to Popular Culture in K-12 Settings Haas, Leslie, Tussey, Jill, 2020-11-13 Literacy and popular culture are intrinsically linked as forms of communication entertainment and education Students are motivated to engage with popular culture through a myriad of mediums for a variety of purposes Utilizing popular culture to bridge literacy concepts across content areas in K 12 settings offers a level playing field across student groups and grade levels As concepts around traditional literacy education evolve and become more culturally responsive the connections between popular culture and disciplinary literacy must be explored Disciplinary Literacy Connections to Popular Culture in K 12 Settings is an essential publication that explores a conceptual framework around pedagogical connections to popular culture While highlighting a broad range of topics including academic creativity interdisciplinary storytelling and skill development this book is ideally designed for educators curriculum developers instructional designers administrative officials policymakers researchers academicians and students

Yearbook of the National Reading Conference National Reading Conference (U.S.), 2007

THE Journal ,2003 **Learning and Leading with Technology** ,2004 **57th Yearbook of the National Reading Conference** Youb Kim, 2008 **The Software Encyclopedia 2001** ,2001 **Sedletter** ,2002 **Secondary School Literacy** Leslie S. Rush, A. Jonathan Eakle, Allen Berger, 2007 This collection is an authoritative resource that draws on the

knowledge and expertise of outstanding scholars and provides crucial information about research theory and practice related to secondary school literacy. Leading scholars along with newer researchers in literacy education address topics such as the impact of state and federal mandates on literacy instruction in secondary classrooms, English language learners and online reading comprehension. Chapter authors include Richard L Allington, Donna E Alvermann, Kathleen A Hinchman, Robert T Jimenez, Kevin M Leander, Alfred W Tatum and Robert J Tierney among others. Each chapter contains rich discussions of current research as well as practical classroom applications. As one reviewer noted, Each and every chapter is well documented and presents clearly established implications for teaching tied to the latest research findings. One of the major strengths of this edited volume lies in the way it points to a remarkable consistency across research findings representing a broad spectrum of disciplinary arenas. This volume is a welcome addition for any teacher, administrator or district looking to implement sound research based classroom practice and professional development.
