Reading Success in the Early Primary Years Jocelyn Seamer, 2022-12-21 Reading Success in the Early Primary Years is a step by step guide to structured literacy instruction for teachers working in the early years of primary school Written by a teacher for teachers this book supports teachers to understand the evidence base of reading instruction and how to successfully implement it Structured in three parts the book breaks down complex concepts in a concise accessible manner guiding teachers on eight key actions to take to get every child on the path to reading proficiency These include instruction in phonics phonological and phonemic awareness integrated reading and spelling opportunities and the use of decodable texts Highly practical Reading Success in the Early Primary Years offers over 20

explicit instructional routines that teachers can implement in their classrooms and guidance on how to get the most out of instructional time These practical elements are further supported by a summary of relevant research and theories about how reading develops including an outline of high impact explicit teaching that draws on cognitive load theory Rich with sample lesson plans tools and examples from real classrooms this book allows teachers to get on with the business of teaching reading This is a must have resource for all who are responsible for children s reading instruction in the first three years of school

The Role of the Speech-Language Pathologist in RtI Wayne A. Foster, 2018-01-08 The Role of the Speech Language Pathologist in RtI Implementing Multiple Tiers of Student Support is an innovative resource for school based speech language pathologists SLPs The author examines the current interaction among special and general educators and identifies how SLPs best fit into a multitiered response to instruction process This collaboration requires school staff share the same vision on the operation of the system understand their respective roles and merge the curricular with the developmental perspective to build basic skills in support of student performance growth General educators have traditionally utilized the language of curriculum e g standards pacing guides formative and summative assessments to talk about student goals and achievement Special educators including SLPs most often utilize the language of development e g norms percentile ranks development milestones to measure student growth The Role of the Speech Language Pathologist in RtI assesses this apparent clash in nomenclature and identifies new ways for collaboration and cooperation among faculty and administration In order for the SLP to be an effective partner in the development and implementation of RtI the author proposes that SLPs should understand the language of general education be able to translate the curricular needs of students into skill based units that can be measured and progress monitored have full understanding of the developmental progression of skills and how that progression links to curriculum standards and be knowledgeable on evidence based practices that can have a meaningful impact on closing developmental gaps and result in higher achievement outcomes This text provides the blueprint for the implementation of a system of student support that was envisioned in the 2004 reauthorization of the Individuals with Disabilities Education Improvement Act IDEIA Unlike other books on RtI this essential resource addresses the very specific roles that different school level professionals must play to make the system effective No other text provides SLPs with such a comprehensive schoolwide perspective on the different roles in the process the different languages used by the professionals in those roles and how to navigate those different perspectives

The Challenge of Teaching Gretchen Geng, Pamela Smith, Paul Black, 2016-10-11 This book presents thirty one accounts by final year pre service teachers providing guidance and insights for less advanced teacher education students and illustrating the use of life history and narrative stories as methods for pre service teachers to explore educational issues in classroom practice This life history approach identifies those political economic and social forces that have impinged on the individual at different points in their life and contributed to the process of changing their identities These stories are not written by established specialists in the areas they deal with

but instead by novice teachers at the beginning of their paths towards mastering the intricacies of teaching and learning in school settings. As such, the book provides a mentoring framework and a means of helping pre-service teachers share their valuable experiences and insights into aspects such as how to manage practicum requirements. It helps establish a supportive relationship among pre-service teachers, providing them with access to valuable peer experiences. In addition, it helps pre-service teachers make sense of their own practicum experiences and reflect on their own beliefs and professional judgement to develop their approaches and solve problems in their own classroom practice.

School-Based Interventions for Students with Behavior Problems Julie Bowen, William R. Jenson, Elaine Clark, 2011-06-27

School Based Interventions for Students with Behavior Problems is a book about helping children and adolescents who engage in severe behaviors to positively succeed in the school setting. The emphasis of this book is on the prevention of behavior problems through structuring the instructional environment and teaching appropriate skills and intervention to reduce problems with practical, proven, and positive procedures. This book is designed for educators faced with the daily challenge of instructing students with behavior problems, social skill deficits, and academic delays. It is designed for teachers as well as those who work with teachers and students, school administrators, counselors, special educators, and school psychologists. In searching for effective behavioral, social skill, and academic strategies, the authors have reviewed hundreds of research validated studies to select techniques applicable to varied instructional settings within the school. The orientation and contents of this book represent the authors' experience and professional training in teaching, clinical work, and research involving students with behavior problems over the last 25 years.

Teaching Through the Storm Karen Hale Hankins, 2003-01-01

In this beautifully written narrative, a first grade teacher takes us into her classroom during an emotionally stormy year. Ride the storm with Hankins as she struggles to address the pressing emotional needs of her disparate students while also meeting their need for literacy development.

Literacy Assessment and Intervention for Classroom Teachers Beverly DeVries, 2017-07-05

The fourth edition of this comprehensive resource helps future and practicing teachers recognize and assess literacy problems while providing practical, effective intervention strategies to help every student succeed. The author thoroughly explores the major components of literacy, providing an overview of pertinent research, suggested methods and tools for diagnosis and assessment, intervention strategies and activities, and technology applications to increase students' skills. Discussions throughout focus on the needs of English learners, offering appropriate instructional strategies and tailored teaching ideas to help both teachers and their students. Several valuable appendices include assessment tools, instructions, and visuals for creating and implementing the book's more than 150 instructional strategies and activities and other resources.

The Everything Kids' Learning Activities Book Amanda Morin, 2013-07-18

Who says learning can't be fun? Using the word "educational" can be the quickest way to lose a child's interest. But the games, projects, and experiments in *The Everything Kids Learning Activities Book* are so much fun, your kids won't even know they're learning.
