Choosing Faith John W. Saultz, 2019-05-16 A belief is a judgment that we assume to be true when making life decisions Our beliefs cannot conclusively be proven true or false Beliefs can be as simple as our preference for food or as profound as our religious beliefs How are beliefs different from knowledge or opinion How do beliefs develop and change over time and how do they become the foundation of our purpose in life This book is divided into three sections The first explains how beliefs are formed in childhood and modified and adapted when we become adults The second section explores different types of belief and introduces the notion of moral beliefs about right and wrong and religious beliefs about the existence and nature of God The final section of the book explains how beliefs are prioritized into a faith that becomes our framework for making life decisions The beliefs we hold most dear form the building blocks of our purpose in life We have the freedom to choose our beliefs so we have the freedom to choose our purpose The goal of this book is to help the reader think deeply about this process and explore the meaning of this freedom **Stuck On You** Monica Walters, 2023-01-24 Life can be hard

to navigate at times but for Lazarus Mitchell it s been a constant battle Marrying his high school sweetheart and putting his dreams on hold to help her fulfill hers he kept pushing through life s adversities in hopes of seeing better days Throughout the journey he realized that she didn t have the tenacity he had or the wherewithal to look difficulty in the face and choose to overcome it Feeling heavily depressed and discouraged for the first time in his life he worries that despair will overtake him So he chooses to begin anew He enrolls in college determined to fulfill the dreams he put on hold He hires a tutor to help him get acclimated once again and upon first sight of her he realizes that love hasn t given up on him Kiana Sol Jordan is a matriculating graduate student on the campus of Lamar University She loves science but chemistry sparks her interest the

most and her love for the subject makes her want to help others understand and love it too Tutoring is gratifying and constantly makes her smile but when a more seasoned student requests her tutelage she feels a lot more than gratification The fact that he s twelve years her senior does nothing to diminish her attraction to him For once she wants to take a chance on something not so safe and the excitement of that has her feeling things she never thought possible Lazarus has a lot of baggage to let go of and Kiana wants to help him along during the process But that decision isn t welcomed by the most important people in her life causing her to question her actions more than she should Kiana wonders if love is worth her ignoring her parents and sister s warnings regarding her new relationship while Lazarus wonders if choosing love is worth the adversity that will come with it Can Kiana cut ties with her family to choose the ultimate love Can Lazarus s ability to love be resurrected and strengthened enough to cause him to become the warrior he once was

takes readers on a journey that connects the past with the present and the present with eternity The Death of the Artist
William Deresiewicz, 2020-07-28 A deeply researched warning about how the digital economy threatens artists' lives and work
the music writing and visual art that sustain our souls and societies from an award winning essayist and critic There are two
stories you hear about earning a living as an artist in the digital age One comes from Silicon Valley There's never been a
better time to be an artist it goes If you've got a laptop you've got a recording studio If you've got an iPhone you've got a
movie camera And if production is cheap distribution is free it's called the Internet Everyone's an artist just tap your
creativity and put your stuff out there The other comes from artists themselves Sure it goes you can put your stuff out there
but who's going to pay you for it Everyone is not an artist Making art takes years of dedication and that requires a means of
support If things don't change a lot of art will cease to be sustainable So which account is true Since people are still making a
living as artists today how are they managing to do it William Deresiewicz a leading critic of the arts and of contemporary
culture set out to answer those questions Based on interviews with artists of all kinds The Death of the Artist argues that we

are in the midst of an epochal transformation If artists were artisans in the Renaissance bohemians in the nineteenth century and professionals in the twentieth a new paradigm is emerging in the digital age one that is changing our fundamental ideas about the nature of art and the role of the artist in society

Daring the Marquess (Book 1 The Lords of London Series) Patricia Grasso, 2021-09-06 A daring risk Angelica Douglas has no idea that she's the Countess of Melrose What she does know is that she needs to support her family as a card shark while finding a way to seek revenge on the men who ruined her father and sent her family spiraling down into poverty When Angela encounters Robert Campbell she thinks he's simply a dashing rogue who is far too dangerous for her peace of mind A dangerous game Robert Campbell Marquess of Argyll heir to the Duke of Inverary has no idea who Angelica truly is He thinks Angelica is an angel

except when she's being a pain in the behind. Moreover, he wants to take care of her and make her his mistress. When Robert finds out that his own father may have been one of the men who ruined Angelica's family, he vows to keep a careful eye on her. When Angelica finds out that Robert's father may have been one of the men responsible, she vows to stay as far away from Robert as possible. But when danger threatens both Robert and Angelica, they must face the truth and let fate take the upper hand.

The Elitist Supremacy Nirranjan K, 2022-09-04 Alexander Selwood is hiding many secrets. Being the first immortal is only one of them. He is also hunted by the despotic ruler of Cynfor, Cesar Thaxter, the man ruling the galaxy for centuries. Unknown to Alexander, the group of rebels who had been fighting Thaxter in secret is also seeking to use his company to build a safe haven. He would do anything to keep himself from falling into the clutches of either the Resistance or the Supreme Ruler. When the consequences of his actions cascade into a torrent of events that threatens to engulf him and everyone he cares for, in danger, Alexander can't sit on the sidelines any longer. Having stayed out of the conflict for this long, he has to make a choice, but can he handle the repercussions of that decision?

Heart of a Hero Nirranjan, 2024-09-16 To uncover the truths about himself, he has to work with his enemy, but how far can he trust him? For as long as he can remember, Cole has had superhuman abilities: strength, speed, the ability to heal quickly from any injury, and the ability to fly. Being adopted, he doesn't know where his powers came from, and with the help of his husband, Cole turns into a crime-fighting superhero with the moniker Obsidian. When another person, dubbed Jade, who has different powers, appears as a criminal, it is not long before Cole and Jade become bitter enemies who clash. Often, Cole's world is turned upside down when his husband dies suddenly, and he runs into his cousin Ryder at the funeral, who turned out to be Jade. But when Jade turns up at his house two days later, injured and with an unbelievable tale about a far-reaching conspiracy which may also have the answers of where their powers came from, Cole has to choose between working with Jade or forgetting about the whole thing. Even if he wants to know the truth, can he trust Jade?

Heart of a Hero is a superhero adventure with a hero who's ready to bend rules on occasion and a villain who's every bit as bad as he claims to be. If you love superheroes, morally grey characters, and enemies turned allies, you will love this novella. Buy *Heart of a Hero* today for a tale of love, loss, betrayal, and new beginnings.

Book Wars John B. Thompson, 2021-03-04 This book tells the story of the turbulent decades when the book publishing industry collided with the great technological revolution of our time. From the surge of ebooks to the self-publishing explosion and the growing popularity of audiobooks, *Book Wars* provides a comprehensive and fine-grained account of technological disruption in one of our most important and successful creative industries. Like other sectors, publishing has been thrown into disarray by the digital revolution. The foundation on which this industry had been based for 500 years, the packaging and sale of words and images in the form of printed books, was called into question by a technological revolution that enabled symbolic content to be stored, manipulated, and transmitted quickly and cheaply. Publishers and retailers found themselves facing a proliferation of new players who were offering new products and services and challenging some of their most deeply held

principles and beliefs The old industry was suddenly thrust into the limelight as bitter conflicts erupted between publishers and new entrants including powerful new tech giants who saw the world in very different ways The book wars had begun While ebooks were at the heart of many of these conflicts Thompson argues that the most fundamental consequences lie elsewhere The print on paper book has proven to be a remarkably resilient cultural form but the digital revolution has transformed the industry in other ways spawning new players which now wield unprecedented power and giving rise to an array of new publishing forms Most important of all it has transformed the broader information and communication environment creating new challenges and new opportunities for publishers as they seek to redefine their role in the digital age This unrivalled account of the book publishing industry as it faces its greatest challenge since Gutenberg will be essential reading for anyone interested in books and their future

Pleasing the Prince (Book 2 The Lords of London Regency Series) Patricia Grasso, 2021-11-13 Life taught her to fend for herself The second daughter of an impoverished alcoholic earl Samantha Douglas was forced to cope with a physical impairment caused by a childhood accident Certain that her heart's desire a husband and children of her own is forever out of reach Samantha retains her optimistic view of life Drawn to the enigmatic Prince Rudolf Samantha can't help but wonder if his dark and brooding exterior hides a kind and loving heart Life taught him to be bitter Prince Rudolf Kazanov fled his homeland to protect his English mother and young daughter Accustomed to society's shallow beauties Samantha's spirit and courage draw the prince to her side from the moment they meet Prince Rudolf recognizes Samantha's rare beauty that emanates from the heart Fate throws them together and passion brings them closer Will these lovers heal each other's pain or will the prince's enemies keep them from fulfilling a love neither thought possible
