Television and the Exceptional Child Joyce Sprafkin, Kenneth D. Gadow, Robert Abelman, 2013-10-23 The question of what types of children are most influenced by or can best benefit from television is a recurrent theme in the scientific literature as well as a frequently raised issue for pediatric associations educators and parent citizen groups concerned about the welfare and advancement of young children To effectively address this question this book focuses on a wide variety of children with highly divergent cognitive abilities social skills and educational capacities that is those labeled as emotionally disturbed learning disabled mentally retarded and intellectually gifted These children not only possess characteristics that place them at the greatest risk with regard to television s negative impact but also in a position to most benefit from the purposeful use of the medium at home and in the classroom Combining literature from the fields of mass communication developmental psychology and special education the authors present a comprehensive analysis of television and its forgotten audience Practical implications and applications in the home and school are also extracted from research findings making this volume a valuable resource for students educators and researchers in the fields of communication and special education and for the

parents and teachers of exceptional children **The Reading Teacher** ,1982 Reading Assessment in an RTI Framework
Katherine A. Dougherty Stahl,Michael C. McKenna,2012-01-01 The importance of Response to Intervention has never been clearer We strongly believe that RTI when fully implemented represents our best hope of building the kind of schoolwide framework necessary for making truly informed choices about the type and intensity of the reading instruction children receive Our goal for this book is to offer the guidance needed to use these and other tools in an RTI framework This is a book about the assessment component of RTI We offer guidance and tools for gathering the information needed in an RTI framework We have tried our best to write a book that is both practical and specific that reflects both research and common sense that is consistent with standards and that affords guidance in the issues central to RTI **JEBPS Vol 6-N1** Journal of Evidence-Based Practices for Schools,2005-02-15 The Journal of Evidence Based Practices for Schools is a leader in publishing research to practice articles for educators and school psychologists The mission of this journal is to positively influence the daily practice of school based professionals through studies demonstrating successful research based practices in educational settings As a result the editors are committed to publishing articles with an eye toward improving student performance and outcomes by advancing psychological and educational practices in the schools They seek articles using non technical language that 1 outline an evidence based practice 2 describe the literature supporting the effectiveness and theoretical underpinnings of the practice 3 describe the findings of a study in which the practice was implemented in an educational setting and 4 provide readers with information they need to implement the practice in their own schools in a section entitled Implementation Guidelines The Journal of Evidence Based Practices for Schools differs from other scholarly journals in that it features articles that demonstrate empirically based procedures for readers to apply the practice in their setting **Reading Research Quarterly** ,1978 **Spelling** Robert L. Hillerich,1981 **Reading Correction Kit** Wilma H. Miller,1982 Reading Problems Margaret Ann Richek,2002 This book combines new and time tested approaches to reading problems by adding usable instructional strategies assessment tools research and an actual Informal Reading Inventory The book distills many different approaches to teaching students with reading problems presenting them in an approachable balanced and readable format Early chapters present general information on the reading process problem readers assessment and the principles of instruction Later chapters provide in depth information on strategies for teaching various parts of the literacy process and conclude with chapters detailing successful intervention programs and teaching in diverse and inclusive settings Reading Problems is extremely practical presenting many informal assessment tools and strategies Yet it also presents research on intervention programs multicultural strategies and extensive descriptions of tests The needs of adolescents and adults are also emphasized For educators of grades K 3 parents or anyone interested in literacy assessment and teaching strategies **How to Teach Reading** Wayne Otto,Robert T.
