Contextualization and the Old Testament Jerry Hwang, 2022-09-26 Christianity is often viewed in Asia as a Western imposition Challenging this Dr Jerry Hwang examines the Old Testament's cultural engagement of its ancient Near Eastern context arguing that Scripture itself provides the ultimate model for contextualizing theology in Asia While it is common for missiological studies to ignore the Old Testament in their discussion of contextualization truly biblical contextualization must include the whole Bible not simply the New Testament This study provides insightful discourse between the Old Testament and various Asian contexts while demonstrating how Asian perspectives can help overcome the Eurocentrism prevalent in Old Testament scholarship This is an ideal resource for scholars and practitioners interested in a biblical perspective of contextualization especially as related to constructing theology that honors the truth of Scripture in the context of Asia

Communication Technology Update and Fundamentals August E. Grant, 2014-08-07 A classic now in its 14th edition Communication Technology Update and Fundamentals is the single best resource for students and professionals looking to brush up on how these technologies have developed grown and converged as well as what's in store for the future It begins by developing the communication technology framework the history ecosystem and structure then delves into each type of technology including everything from mass media to computers and consumer electronics to networking technologies Each chapter is written by faculty and industry experts who provide snapshots of the state of each individual field altogether

providing a broad overview of the role communication technologies play in our everyday lives Key features Gives students and professionals the latest information in all areas of communication technology The companion website offers updated information and useful links to related industry resources and an instructor site provides a sample syllabus and a test bank This edition features new chapters on automotive telematics digital health and telepresence as well as expanded coverage of tablets phablets and 4K ultra high definition television

Social Order and Authority in Disney and Pixar Films Kellie Deys, Denise F. Parrillo, 2021-11-04 Social Order and Authority in Disney and Pixar Films contributes to an essential ongoing conversation about how power dynamics are questioned reinforced and disrupted in the stories Disney tells Whether these films challenge or perpetuate traditional structures or do both their considerable influence warrants careful examination This collection addresses the vast reach of the Disneyverse contextualizing its films within larger conversations about power relations The depictions of surveillance racial segregation othering and ableism represent real issues that impact people and their lived experiences Unfortunately storytellers often oversimplify or mischaracterize complex matters on screen To counter this contributors investigate these unspoken and sometimes unintended meanings By applying the lenses of various theoretical approaches including ecofeminism critiques of exceptionalism and gender queer and disability studies authors uncover underlying ideologies These discussions help readers understand how Disney's output both reflects and impacts contemporary cultural conditions

Media and Culture with 2013 Update Richard Campbell, Christopher R. Martin, Bettina Fabos, 2012-02-20 Today's media landscape is changing faster than ever and students are experiencing these developments firsthand Media Culture pulls back the curtain on the media and shows students what all these new trends and developments really mean giving students the deeper insight and context they need to become informed media critics The 2013 Update also includes the must cover events and trends students need to know to become informed media consumers and critics from social media's influence on political events like the Occupy Wall Street movement and the Arab Spring revolutions and what the News Corp phone hacking scandal means for journalism to the continued growth of television streaming and apps and the advent of tablet only newspapers Read the preface
