Beyond Prime Time Amanda Lotz, 2010-04-02 *Beyond Prime Time* brings together established television scholars writing new chapters in their areas of expertise that reconsider how programming forms other than prime time series have been affected by the wide-ranging industrial changes instituted over the past twenty years. The chapters explore the relationship between textual and industrial changes in particular forms such as news, talk, sports, soap operas, syndication, children's programming, made-for-television movies, public broadcasting, and local programming.

Bears vs. Cardinals Joe Ziemba, 2022-09-14 In their early years, the Chicago Bears and the Chicago Cardinals, the two oldest teams in the National Football League, travelled the country with only rare mention in the newspapers. Both teams later saw their official records destroyed by fire. Most of what is now known about those initial seasons is based on often inaccurate statements made many years later. Reconstructing their missing history, this book draws on newly available resources to document the battles and brawls on and off the field, the cunning backroom deals, the financial woes, and the 40-year rivalry that endured while both teams were in Chicago. Figures like Al Capone, Red Grange, Jim Thorpe, and Bronko Nagurski make appearances in the lore of two old adversaries whose uneasy alliance helped ensure the survival of the fledgling NFL.
