Works Charles Dickens, 1922 **Home Again, Home Again, Jiggity, Jig** Susie Stone, 2017-03-15 I was the child who stood quietly in corners and listened I observed I watched people and remembered the events what was said what I saw As I grew up I remembered those incidents happenings and stories and I loved to share them with friends and students Over the years when people heard my stories they always wanted to hear more and often told me I should write a book with my stories After many years of listening to people tell me to write I wrote this book about the start of my life in a little town in Monett Missouri I have written about my parents my hometown people I knew and incidents I observed The book is filled with my love for this little town and all the people I knew I am happy to now share those stories with each of my readers Home again
