Swedish Traditions and Holidays Tora Wall, 2025-08-31 The year is full of traditions, holidays, and festivities that Swedes celebrate at specific times. Some are new; others have been celebrated for a long while. But what do we really know about the origins and history of Valentine's Day, New Year's, Walpurgis Night, or Mother's Day? This book provides a description of Swedish holidays and traditions during the year, with a focus on their cultural roots. Along with the major holidays of Easter, Midsummer, Christmas, and New Year's, attention is given to other dates on the calendar such as St. Olaf's Day and Michaelmas. Through them, we get a glimpse of what Swedish people's lives and conditions were like in pre-industrial society. Folklorist Tora Wall guides us through the calendar year and examines the origins, history, and customs, both historical and contemporary, of Sweden's traditions and holidays. This beautifully designed and richly illustrated edition was inspired by the family bibles found in almost every Swedish home in the early 1900s.

Empires of Dust Layne Wallace, 2025-07-10 *Empires of Dust* examines the regression of societal institutions across the United States. From the church to education to the military to work and the family, this text documents the regression of societal institutions. More than documenting the decline, the text describes the causes of institutional decline and cuts a pathway toward renewal.
