Gobel,2012-03-14 I m about to lose my wife and I don t want to lose my son too That depressing thought kept racing through my mind all day long as my five year old boy Frankie and I were enjoying our first day ever at an amusement park in 1994 My marriage was shot and beyond repair and I now faced many a parent s dread what effect would the divorce have on my son and how will I maintain any semblance of a normal rapport with him The answer miraculously was only hours away Right before exiting the immense park for the evening my rambunctious boy somehow lured me onto the thrill arena s big roller coaster for a ride That solitary coaster journey hooked us up for life to the joys of gallivanting upon these flying machines and for the next fifteen summers that s basically all we did We ultimately shared over 300 days together in amusement parks as we traveled 40 000 miles by car plane and sleeper car train to every thrill park in the country that housed anything close to resembling a roller coaster The divorce came soon enough and inflicted its normal dose of hardship and despair But it proved to be no match for the wonderful memories that accompanied all of our trips and the steadfast bond that grew between us merely in pursuit of our beloved joyrides Flying With Frankie is our story FLYINGWITHFRANKIE COM Street Fighter Bill Kent,2005-05-01 Community tension rides high in this third mystery from Bill Kent an author who is well acquainted with the vibrant characters who live and die in gritty South Philly Neville Shepherd Ladderback the Philadelphia Press s old dusty obituary writer is researching accountant Paul Small a city legend in all things dealing with money who was beaten to death with his own cane Finding it hard to get a straight story Ladderback is surprised when Andrea Andy Cosicki the voice behind the Mr Action question and answer column provides him with a key lead But as each reporter searches for the nut or defining element in their stories they find that this exchange is just the beginning in a series of startling discoveries News of Paul Small s death brings back Andy s best friend Lucia her mother had been involved with the dead man The young women s reunion is interrupted by a violent confrontation with members of an Asian gang at a restaurant owned by Angelo Delise the father of Lucia s friend Cece who was raped and murdered years ago

in the Asian immigrant sector of the city The gang members were trying to get Delise s safe but failed overpowered by Lucia s skill in the martial arts Andy can see how Cece s death still haunts Lucia and she vows to find out the true story Ladderback s and Andy s investigations keep leading them back to the Pickle Factory which used to be a warehouse crowded with illegal Asian immigrants but was later developed into luxury lofts by Small s nonprofit veterans organization Did Small make promises he couldn t keep **Motive** ,1968 **International Trade Reporter** ,1988 **Journey'S End** Victoria Brewster,Julie Saeger Nierenberg,2017-07-20 In Journey s End many and varied collaborators write about death dying and the end of life We attempt to describe real life issues and circumstances and we discuss ways to proactively deal with them Useful training resource and reference material is also included Death dying and end of life are topics many prefer to avoid This book suggests that we benefit from having frank discussions living life to the fullest and planning for our own journey s end whenever that may be Everyone who is born eventually will die whether or not we want to embrace that fact Though few of us know when we will die we and our family or friends can be well prepared We can have discussions and create written directives for what we want if we are unable to verbally state them ourselves Do we want life support Do we want interventions that may or may not have any benefit to our quality of life if we are in the hospital or in an accident Do we want to be involved in planning our funeral memorial or celebration of life The submissions within are from professionals in the field of death and bereavement support and from laypeople all of whom share stories of dying family members friends clients and patients Julie and Victoria the coauthors of this book also share stories from their personal and professional experiences Journey s End is a broadly comprehensive book about death dying and the end of life Adversary Janet Edwards,2023-10-30 Being a telepath means being a warrior Eighteen year old Amber is the youngest of the five telepaths who protect the hundred million citizens of one of the great hive cities of twenty sixth century Earth As her city celebrates the start of a New Year one of the other telepaths must stop work to have lifesaving surgery Amber is already worried how she and her unit will cope with the increased workload but then she finds herself facing twin enemies as well Inside her city Keith takes advantage of his increasingly powerful position as one of only four working telepaths Outside her city Hive Genex sends the devious Adversary Aura to lead their defence against charges of attempting to kidnap Amber Cover depicts Adversary Aura of Hive Genex **What Ever Happened to Emma Lenford?** Kari Lynn M.,2025-08-09 Seven years of bad luck Shouldn t be too much for a sarcastic teenager with nothing going for her but a raging foot fungal infection and prospects of working at an off brand Chuck E Cheese the rest of her young adult life right Well Emma Lenford sure knows a thing or two about bad luck Accidental vomiting spells vehicular collisions and even spontaneous pregnancies have followed her throughout her whole high school career Now that graduation has come though how will the next chapter of her life unfold With encountering college dormitory brawls going viral on TikTok and finding a possible mate in a likely psychopath You bet Emma Lenford is truly the unluckiest 17 going on 27 year old on the planet She keeps her sense of humor though
