Likeable Business: Why Today's Consumers Demand More and How Leaders Can Deliver Dave Kerpen, Theresa Braun, Valerie Pritchard, 2012-10-30 It pays to be LIKEABLE. You can have a rock-solid business strategy, unlimited resources, and the most talented people on staff. But only one thing is guaranteed in today's hyperconnected society: if your business isn't likeable, it will fail. Dave Kerpen knows how important it is for a business to be liked by customers, employees, stakeholders, and the general public. He wrote the book on it. His groundbreaking bestseller *Likeable Social Media* changed the way businesses interact with their customers on a daily basis. *Likeable Business* lays out 11 strategies for organizations of all sizes to spur growth, profits, and overall success. Dave Kerpen reveals the remarkable returns you'll get when you gain the trust of your customers and stakeholders. In today's social media world, it literally pays to be likeable. *Likeable Business* helps any leader at a small or mid-sized company increase profits and spur growth by applying the 11 principles of business likeability: such as LISTENING to customers, colleagues, shareholders, and competitors; AUTHENTICITY because today's savvy customer always knows when you're faking it; TRANSPARENCY: honesty builds trust, and any deviation can destroy your reputation; ADAPTABILITY: managing change and finding new opportunities is critical to success today; SIMPLICITY in design, in form, and in function; GRATITUDINE: every thank you is appreciated and generates surprising returns. Likeability spreads. As a business leader, you set the tone. Be likeable, and your staff will be likeable, which in turn creates a more likeable customer experience. The blueprint for everlasting business likeability is in your hands. Apply Kerpen's basic principles day in and day out, and profits and growth are sure to follow. Praise for *Likeable Business* Dave Kerpen has explained why customers expect more, and he gives you the tools to deliver on your brand promise. Be honest, be transparent, and be authentic. If you want to be likeable in business, you must read this book. Jeffrey Hayzlett, bestselling author of *Running the Gauntlet* and *The Mirror Test*. Dave Kerpen's manifesto on becoming a likeable leader of a likeable business applies equally well to social entrepreneurs and the nonprofit sector. Gratitude is his concluding principle, and I sure am grateful to Dave for writing this book. Charles Best, founder of DonorsChoose.org. Kerpen demonstrates how building a likeable culture may be the most vital and rewarding strategy of all. John Jantsch, author of *The Commitment Engine* and *Duct Tape Marketing*. This important persuasive book will change the way you think about and operate your business. Anyone who hopes to lead successfully in the twenty-first century needs to read this book. One of the significant advantages of Instagram Today books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. Another popular platform for Instagram Today books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents.
