Wayne Gretzky's Ghost Roy MacGregor, 2012-11-06 Roy MacGregor has been called the best hockey writer in the country and we finally have a collection of his very best hockey writing revised and updated For nearly 40 years Roy MacGregor has brought hockey our national sport alive on the page From tales of the game's greats Guy Lafleur Jean Beliveau Marcel Dionne to today's stars Sidney Crosby Alex Ovechkin Daniel and Henrik Sedin his magazine and newspaper coverage has revealed so much about these and so many other personalities in moments of promise victory and defeat While many of these stories play out on the ice some of the most compelling take place on the home front Mario Lemieux's battle against cancer the many tribulations of Bob Gainey and MacGregor's prose shines especially when focused on the human side of a sport defined by superhuman feats of speed aggression and power Wayne Gretzky's Ghost is a personal book and also a book of challenging ideas that Wayne Gretzky through no fault of his own was the worst thing to happen to hockey that CBC's Hockey Night in Canada has lost sight of what it is that goaltending has become a position out of all proportion to what was intended And who could offer a better perspective on the game than a writer who playing as a youngster had to face an onrushing phenom from Parry Sound named Bobby Orr or who spent a year ghostwriting a national newspaper column for the Great One himself When it comes to hockey Roy MacGregor has seen and in some cases done it all

Joining the Clubs J. Andrew Ross, 2015-05-21 How did a small Canadian regional league come to dominate a North American continental sport *Joining the Clubs* The Business of the National Hockey League to 1945 tells the fascinating story of the game off the ice

offering a play by play of cooperation and competition among owners players arenas and spectators that produced a major league business enterprise Ross explores the ways in which the NHL organized itself to maintain long term stability deal with its labor force and adapt its product and structure to the demands of local regional and international markets He argues that sports leagues like the NHL pursued a strategy that responded both to standard commercial incentives and also to consumer demands that the product provide cultural meaning Leagues successfully used the cartel form an ostensibly illegal association of businesses that cooperated to monopolize the market for professional hockey along with a focus on locally branded clubs to manage competition and attract spectators to the sport In addition the NHL had another special challenge unlike other major leagues it was a binational league that had to sell and manage its sport in two different countries Joining the Clubs pays close attention to these national differences as well as to the context of a historical period characterized by war and peace by rapid economic growth and dire recession and by the momentous technological and social changes of the modern age

Angeles celebrates royalty why Buffalo cheers for not one but two massive cavalry swords or why the Broadway Blueshirts named themselves for a law enforcement agency in Texas or why they even wear blue shirts for that matter All that and more is explored in Fabric of the Game authored by two of the sports world s leading experts in team branding and design Chris Creamer and Todd Radom Tapping into their vast knowledge of the whys and hows Creamer and Radom explore and share the origin stories behind these and more talking directly to those involved in the decision processes and designs of the National Hockey League s team names logos and uniforms pouring through historical accounts to find and deliver the answers to these questions Learn more about the storied Detroit Red Wings and Chicago Blackhawks as well as the lost but not forgotten Hartford Whalers and Quebec Nordiques all the way to the lesser known Kansas City Scouts and Philadelphia Quakers Whichever team you pledge allegiance Fabric of the Game covers them in depth with research and knowledge for any hockey fan to enjoy
