changes in theatre's cultural status and place in our lives Drawing on the first hand experiences of festival director and performance practitioner Kate Craddock it also contends that practitioners now need to turn their attention to care access and sustainability arguing that the pandemic taught us above all that it is possible to do things differently Part vision part provocation part critical interrogation Theatre and its Audiences offers an insightful appraisal of past norms and assumptions to set out a bold argument about where we should go from here **Field & Stream** ,1979-02 FIELD STREAM America's
