The Person in Personalisation David Mannheim, 2023-08-29 As both practitioners of personalisation and victims of it it is the person in personalisation that has been lost The titans of the personalisation industry have commercially defined what personalisation should be for us all without realising what it takes to make a relationship work a personal touch This book explores why And if it can change We learn about why we need to

dismiss the personalisation perpetual hype stop reducing it down to a single tactic designed purely to make money Instead we need to rebirth personalisation entirely and engage deeply with what it actually is what it s supposed to be and what it means in the future for brands great and small Maybe even yours This book is not like most marketing books overly inspirational redundant with revelation cold and charmless focusing on dry practicality with arbitrary models that no one can ironically use practically This is different Personalisation spelled with an s is full of personality wonder drama heroes and villains and that all makes for a damn good story A fairy tale even That s how it is written The Person in Personalisation is an adventure that inspires action from promoting critical thinking with irreverent humour defeating personalisation dragons no really encouraging you the reader to take things back to basics not from telling you exactly what to do Million-Dollar Blind Spots Gary Patterson,2012-06-15 Million Dollar Blind Spots will create clear understanding to uncover blind spots in your company and will dramatically accelerate correct business leadership decisions Million Dollar Blind Spots is hailed by industry professionals as a commonsense approach to risk management When asked how all departmental leaders can help the finance department increase profitability this book is a resource for management to find pools of cash in key departments of the company This book helps career motivated business executives unearth key risk areas and identify opportunities leading to sustainable growth buzz worthy customer value and impressive profitability **The Jonesreport Plus** ,2006 *Chain Store Age* ,2006-07 **Jazz Times** ,2004 America s jazz magazine Feb 1991 **The Literary World** ,1904 **Railway News, Finance and Joint-stock Companies' Journal** ,1893 *The Accountant* ,1921 **New England Magazine** ,1905 *Animals* ,1917 *The Century Dictionary and Cyclopedia: The Century dictionary ...* William Dwight Whitney,Benjamin Eli Smith,1900 Proceedings at the Mass Meeting of Citizens in the Cooper Institute, New York, Tuesday Evening, March 24, 1874, on National Finances New York (N.Y.).
