The Evolution of Hollywood's Calculated Blockbuster Films Alexander Ross, 2023-04-24 In this book Alexander Ross highlights how creative entrepreneurs saved the Hollywood studios in the 1970s by establishing the calculated blockbuster consisting of key replicable markers of success as Hollywood's preeminent business model Ross demonstrates how visionary individuals such as Coppola Spielberg Lucas and Zemeckis helped create the modern calculated blockbuster business model BBM However

with the rise of streaming giants and the studios struggling to compete many consumers of entertainment now elect to partake from the comfort of their homes making the difference between cinema and television anachronistic Revisiting the history of those 1970s blockbusters and their ongoing impact on contemporary filmmaking Ross offers distinct analysis on whether the calculated blockbuster can continue to lead or if the streamers will continue to generate their own content and eventually fully control the dissemination process For scholars and students in film pop culture and business along with aspiring filmmakers screenwriters producers and executives the book will be a valued resource *Theatre Management*

Anthony Rhine, 2017-12-21 An essential introductory textbook that provides a comprehensive and student friendly overview of the key processes involved in developing and managing a theatre in the 21st century It covers a complete range of topics fundamental to successful commercial and not for profit theatre management from developing a mission statement to communicating with stakeholders from marketing and promotion to fund development platforms and from governance structures to community engagement With over two decades of experience in the industry Anthony Rhine encourages a critical understanding of theatre management rather than simply giving students the facts and theories to memorise he shows readers how to think like theatre managers giving them the skills needed to be able to carve out their own career paths Far reaching and globally applicable the text serves as an invaluable guide for aspiring theatre managers as well as undergraduate and postgraduate students on theatre management arts management creative industries and theatre and performance studies degree courses
