Baseball with a Latin Beat Peter C. Bjarkman, 2010-07-27 Since Cuba's Esteban Bellan made his debut for the Troy Haymakers of the National Association in 1871 Latin Americans have played a large role in the major leagues Nearly 15 percent of big league rosters are made up of Latinos while the region's colorful and competitive winter leagues have been a proving ground for up and coming major league players and managers Early Latin American stars were barred purely because of the color of their skin from playing in the major leagues Players such as Jose Mendez and Martin Dihigo the only player elected to the U S Cuban and Mexican halls of fame made their marks on the Negro Leagues turning the leagues barnstorming tours into major attractions in many Caribbean countries This history of the players and events that make up the rich tradition of Latin American baseball gives a unique insight to this long neglected area of baseball

One Town, One Team Bruce Bertrand, 2023-01-26 When third year football coach Sherm Blaser walked into his first team meeting for the upcoming season he asked the team what their team goal should be for the upcoming season The first hand that went up was that of senior defensive lineman Benten Hall who suggested a winning season would be an appropriate team goal A winning season might not seem like a lofty goal but it is certainly a practical one The previous year the Kavemen did go 5-4 but finished sixth in conference play and did not make the playoffs Benten's sophomore and freshman years those varsity teams went a combined 7-12 In fact since Benten and his fellow seniors on the team started the first grade eleven years ago the Kuna football teams have a combined record of forty three wins and sixty two losses The football program has not won a conference championship since 1998 and has won just one playoff game this century Blaser was not seen as the savior of this

program when he was hired two years before Before coming to Kuna his record was 15 21 at two previous schools In his two previous years on the Kuna campus his record was only 8 10 So how could this team led by this coach make it all the way to the state championship game Fortunately for me my son Ryan who was starting his fourth season as part of Sherm Blaser s coaching staff and was living with me as he was finishing his master s program in psychology so I had a front row seat to this amazing season
