Presidents' Day The Confusion About This Holiday

Looking at the calendar, you notice that the third Monday in February is a holiday. A holiday means a break from school. But, what is the Presidents' Day holiday? A holiday for all the president? For some it is, but that's only part of the story. The holiday goes back to the 1800s.

Lincoln decided to celebrate President Washington's birthday as a federal holiday. The way they recognized him was to have a federal holiday on Mondays. This meant that the holiday was on a Monday. At that point, some people proposed, or suggested, that the holiday be moved to Washington's birthday. Since Lincoln's birthday was on a Tuesday, the idea was rejected. So, the government still celebrates Washington's birthday on a Tuesday.

Presidents' Day stuck. States used the name to promote sales over the holiday weekend. In 1968, Congress decided to recognize the important roles that other presidents have played. So, although the holiday is still celebrated on a Monday, most people call it Presidents' Day. Some states have renamed the holiday to honor Washington's birthday.
