**Guaranteed Student Loan Program** United States. Congress. Senate. Committee on Government Operations. Permanent Subcommittee on Investigations,1976 *The History of College Affordability in the United States from Colonial Times to the Cold War* Thomas Adam,2020-10-13 This book examines how tuition and student loans became an accepted part of college costs in the first half of the twentieth century The author argues that college was largely free to nineteenth century college students since local and religious communities donors and the state agreed to pay the tuition bill with the expectation that the students would serve society upon graduation College education was essentially considered a public good This arrangement ended after 1900 The increasing secularization and professionalization of college education as well as changes in the socio economic composition of the student body which included more and more students from well off families caused educators college administrators and donors to argue that students pursued a college degree for their own advancement and therefore should be made to pay for it Students were expected to pay tuition themselves and to take out student loans in order to fund their education

**Repay As You Earn** Philip G. Schrag,2001-11-30 In 1993 Congress created a student loan repayment plan intended to enable high debt graduates to accept low income public service jobs by reducing their loan payments and eventually forgiving part of their debts But this Congressional initiative only helps those with catastrophically low incomes It has failed to attract many users because as implemented through regulations of the U S Department of Education it requires payment over too long a period 25 years before forgiveness Many students go to graduate and professional schools in pursuit of careers in public service But they often must borrow 100 000 or more to finance their education Their loan repayment obligations become so high that they can no longer afford to follow their ideals and they abandon their plans to have public service careers and seek employment with corporations or firms offering high salaries The income contingent repayment plan should have appealed to would be public interest lawyers who are among the graduates with the highest debt to income ratios but the plan has failed them and Schrag explores why and how the plan should be reformed either by Congress or by the federal administration
