Keep Watching the Skies! Bill Warren, 2009-11-30 Bill Warren's *Keep Watching the Skies* was originally published in two volumes in 1982 and 1986. It was then greatly expanded in what we called the 21st Century Edition with new entries on several films and revisions and expansions of the commentary on every film. In addition to a detailed plot synopsis, full cast and credit listings, and an overview of the critical reception of each film, Warren delivers richly informative assessments of the films and a wealth of insights and anecdotes about their making. The book contains 273 photographs, many rare, 35 in color, has seven useful appendices, and concludes with an enormous index. This book is also available in softcover format. ISBN 978 1 4766 6618 1

Nightly Horrors Dan D. Nimmo, James E. Combs, 1989 **Breaking Good News** David P. Bodanza, 2015-09-09 The news is dominated by reports of inhumanity and tragedy. Things seem to go from bad to worse and hope is hard to find. What is wrong with the world? Despite technological progress, humanity cannot overcome the senseless strife that plagues every generation. Into this world comes good news that shines so bright it turns the night sky into daylight. The good news is God news. God the Father so loved the world that He sent His one and only Son, Jesus, to rescue us from sin and eternal punishment. Many Christians know this good news but keep it to themselves. Yet the good news is too good to not share. Bodanza gives us an example of sharing the good news from his weekly column in a hometown newspaper. Use it to speak boldly or give it to another to read. The gospel message is timeless and speaks to the ultimate issue of our lives.
