### **Social Engagement**

Avery Carpenter Forrey,2023-05-23 If you re looking for a page turner with some bite this one s for you theSkimm Millennial wedding culture gets a much needed skewering in this alternately light and biting novel Vogue A razor sharp and darkly humorous debut novel exploring millennial wedding culture class and relationships all filtered through the ever present lens of social media In an opulent honeymoon suite in Watch Hill Rhode Island s most desirable wedding venue 29 year old Callie Holt is spending her wedding night lying in a bathtub shoveling down a pizza her expensive white dress now splattered with sauce and her groom passed out in the next room With her seven hour old marriage already imploded Callie turns to the place of record her phone sifting through the photographic evidence of the past year to pinpoint where it all went wrong Could it have started when Callie moved in with her best friend Virginia Murphy in the swanky Upper East Side pied terre for

which Virginia's parents foot the bill Or when Virginia's irritatingly attractive cousin and Callie's secret ex Ollie returned from pursuing his photography career abroad throwing a wrench in Callie's relationship with her kind if a bit dim finance bro boyfriend Whit Or was the true turning point when Callie stumbled upon a dark secret lurking in the Murphys well heeled past one with the potential to upend everything Callie knows about the people she considers her second family Over the course of one wedding filled year all these long simmering secrets and resentments will come bubbling to the surface leading to a reckoning that will strip Callie and everyone around her down to their most gruesomely real filter free selves As Callie attends wedding after wedding getting tagged in post after post she begins to contemplate and actualize through her own art the gulf between the true selves of the people around her and the selves they present on their screens

**Letters in Black and White** Winkfield Twyman, Jr., Jennifer Richmond, 2023-05-23 Unsatisfied with the relentless pace and narrow constraints of social media two Americans Winkfield Twyman Jr and Jennifer Richmond a black man and a white woman rediscovered the art of letter writing and maintained a years long correspondence about race in the United States In *Letters in Black and White* they share for the first time their exchange in full charting their journey from wary strangers to trusted confidants At a time when many Americans are dazed confused and angered by the country's current state of race relations they offer a model not only for having needed but difficult conversations but also for a better way forward Marked by well crafted turns of phrase sharp wit and sober reflection they do not rely on those fashionable words and phrases that have been drained of real meaning or are hopelessly saddled with excessive baggage such as antiracism white fragility and allyship Rather on topics ranging from the murder of George Floyd and the launch of the 1619 Project to the debate over reparations and the nature of elite black organizations like Jack and Jill of America they tell the truth as they see it in their own uncorrupted language speaking for no one but themselves Particularly critical of both the ideological battles that fuel media programming and entrench political rivalries and the noble sounding social and cultural projects that fail time and again to offer any meaningful solutions they identify productive ways to unify across our differences ways to find our common humanity and to mend America's divided soul Ultimately they offer an inspirational message of hope and optimism for all one that does not allow the past to define our present or predetermine our future
