considered divine and surrounded with strict kapu sacred prohibitions breaking a kapu pertaining to an ali i meant death for the transgressor He went on to become an influential statesman privy to the shifting modes of governance adopted by the Hawaiian kingdom's intelligence and his good standing with those he served resulted in a great degree of influence within the Hawaiian government with his fellow Hawaiians and with the missionaries residing in the Hawaiian Islands As a privileged spectator and key participant his published accounts of ali i and his insights into early nineteenth century Hawaiian cultural religious practices are unsurpassed In this groundbreaking work Marie Alohalani Brown offers an elegantly written and compelling portrait of an important historical figure in nineteenth century Hawai i Brown's extensive archival research using Hawaiian and English language primary sources from the 1800s allows access to information which would be otherwise unknown but to a very small circle of researchers

Contested Kingdom William McCarthy, 2024-11-20

In *Contested Kingdom* Fan Attachment and Corporate Control at Disneyland William McCarthy presents a groundbreaking study centered on the history of Disneyland and Disney theme park enthusiasts Focusing on two unexplored yet interconnected phenomena the dynamic relationship between the Disney corporation and Southern Californian fans in both online and physical park settings over a span of more than three decades this volume sheds new light on the meaning and purpose of Disneyland Through a comprehensive analysis of the interwoven dimensions of individuals place and cognitive affective and behavioral processes McCarthy explores the fervent sense of place attachment experienced by the approximately one million annual passholders who visit the park McCarthy's analysis extends beyond the physical world of Disneyland by delving into the evolution of Disney fandom discourse commerce and social formations in online social platforms like Usenet web discussion boards and social media By employing a mixed methods approach incorporating interviews participant observation surveys and data analysis this study establishes a novel analytical framework for comprehending the interrelationships between the Disney corporation its fan communities and online social platforms As the first in depth longitudinal analysis of the ongoing struggle on successive social platforms between fan users and a corporate entity *Contested Kingdom* provides valuable insights for scholars and future investigations

Key Changes Howie Singer, Bill Rosenblatt, 2023 Tells a new story about the history of the music business and the ten technological advances that disrupted it over the last century In recent years narratives about the music industry tend to hew to a common theme it was humming along for decades until the Internet and Napster came along and disrupted it *Key Changes* shows that this view is incorrect the industry was actually shaken up not once in the 1990s but ten times over more than 100 years These ten disruptions came with the introduction of new formats for enjoying recorded music starting with the cylinders and discs played on early phonographs then moving through radio LPs tapes CDs television digital downloads streaming and streaming video and then into Artificial Intelligence AI which enables a wide range of new capabilities with profound impacts upon the business This book devotes a chapter to each of these formats illustrating how such innovations beget shifts in creativity

consumer behavior economics and law Each of the technological innovations covered in this book not only disrupted the music business but also fundamentally altered the industry's character And while the technologies themselves have evolved in unique and varied ways over the decades the changes within the business follow a clear pattern Veteran music industry professionals and music technology experts Howie Singer and Bill Rosenblatt illuminate this pattern through a framework they term the 6 Cs cutting edge technology channels of distribution creators consumers cash copyright This framework provides insight into how such disparate innovations similarly disrupted and transformed the music business in each era Extensively researched and supplemented by interviews with Grammy winning artists producers and executives the book provides an insightful perspective on the ways technology has fundamentally altered the music industry throughout history and into the present era
