Darrell M. West, 2022-08-09 Curing the causes and consequences of Trumpism It s no secret that the United States faces extraordinary political and societal challenges even as it recovers from the COVID 19 pandemic Political polarization and extremism are the most apparent symptoms resulting from long term economic and social inequities as well as a toxic information ecosystem It is easy to blame Donald Trump for the sad state of American democracy After all he abused his executive authority spread false claims and even incited violence But Trumpism is almost certain to outlast Trump himself The grievances he exploited and the aggrieved to whom he appealed existed well before he became president and likely will endure after he is gone from the political scene The current political atmosphere is poisonous for those who operate on the basis of facts reason and logic It is time to step back from this dangerous precipice and reflect on the causes of the serious threats to American democracy procedural justice and a reason based society With polarization now entrenched and authoritarianism gaining strength no one should assume that facts somehow will triumph over falsehoods and reason will prevail over emotion Drawing on his personal experiences in the D C policy world Darrell West offers advice for protecting people organizations and the country as a whole from our contemporary challenges This book makes the risks to democracy understandable by explaining specific threats and offering concrete ideas for ameliorating them It will appeal to anyone interested in American politics democracy elections mass media technology and governance **Multimedia: Making It Work, Ninth Edition**

Swipe to Unlock Neel Mehta, Parth Detroja, Aditya Agashe, 2017 WANT A NON CODING JOB AT A TECH COMPANY Interested in product management marketing strategy or business development The tech industry is the place to be nontechnical employees at tech companies outnumber their engineering counterparts almost 3 to 1 Forbes 2017 You might be worried that your lack of coding skills or tech industry knowledge will hold you back But here s the secret you don t need to learn how to code to break into the tech industry Written by three former Microsoft PMs *Swipe to Unlock* gives you a breakdown of the concepts you need to know to crush your interviews like software development big data and internet security We ll explain how Google s ad targeting algorithm works but Google probably won t ask you how to explain it in a non technical interview But they might ask you how you could increase ad revenue from a particular market segment And if you know how Google s ad platform works you ll be in a far stronger position to come up with good growth strategies We ll show you how Robinhood an app that lets you trade stocks without commission makes money by earning interest on the unspent money that users keep in their accounts No one will ask you to explain this But if someone asks you to come up with

a new monetization strategy for Venmo which lets you send and receive money without fees you could pull out the Robinhood anecdote to propose that Venmo earn interest off the money sitting in users accounts We ll talk about some business cases like why Microsoft acquired LinkedIn Microsoft interviewers probably won t ask you about the motive of the purchase but they might ask you for ideas to improve Microsoft Outlook From our case study you ll learn how the Microsoft and LinkedIn ecosystems could work together which can help you craft creative impactful answers You could propose that Outlook use LinkedIn s social graph to give salespeople insights about clients before meeting them Or you could suggest linking Outlook s organizational tree to LinkedIn to let HR managers analyze their company s hierarchy and figure out what kind of talent they need to add We ll further explore both ideas in the book Either way you re sure to impress Learn the must know concepts of tech from authors who have received job offers for Facebook s Rotational Product Manager Google s Associate Product Marketing Manager and Microsoft s Program Manager to get a competitive edge at your interviews
