Virtually Married Ian Wood, 2022-11-01 When Robert and Alice meet at an annual virtual reality conference in Durban South Africa they became friends and after a liquid lunch one day the two of them tipsily take part in a virtual marriage demo Then they have a falling out It's only after the conference when they've gone their separate ways that they discover they're legally married There's a failsafe clause though if the marriage isn't consummated within a year and a day it will automatically be dissolved They're both of a mind to let that happen but fate doesn't appear to agree with them as they seem to keep on crossing each other's path Can a virtual marriage lead to a real life love **Overcoming Mild Traumatic Brain Injury and Post-Concussion Symptoms** Nigel S. King, 2015-10-01 HIGHLY COMMENDED for the British Medical Awards book prize for Popular Medicine Up to 10% of people will suffer a mild head injury or mild traumatic brain injury in their

lifetime and up to 50% of those people will also find they have lingering post concussion symptoms in the months or years afterwards These symptoms can include headaches dizziness fatigue irritability sleep disturbance reduced day to day memory poor concentration taking longer to think muzzy headedness depression anxiety tinnitus blurred or double vision sensitivity to light or noise frustration nausea restlessness and sensitivity to alcohol In such circumstances the mild head injury may feel anything but mild This is particularly so if large areas of your day to day life are affected People in these circumstances can have their difficulties compounded by the very different explanations for their persisting difficulties These usually involve receiving contradictory opinions about the extent to which ongoing symptoms are caused by neurological brain injury or other factors These complicating factors can make it very difficult to find the right kind of service or expertise after a TBI Patients can easily feel like they are being pushed from pillar to post when trying to find services that can help with their problems On top of all of this there is a distinct lack of good science based information for patients about the best ways to manage PCS It is therefore very common for those who experience prolonged difficulties to find their situation extremely confusing frustrating and stressful Dr Nigel King is an expert with much experience in this area and has written a very valuable book weaving together the most useful knowledge in this area It clarifies some of the complex issues for those who suffer with prolonged problems and provides practical science based self help guidance for managing TBI difficulties Using cognitive rehabilitation techniques and CBT approaches for the associated mental health complications of PCS this much need book provides help hope and understanding for what can be a highly disabling and misunderstood condition

ABSTRACT REALITY Cedric Buhagiar,2014 Rick Ironside a young cop by profession and a heavy metal band member by passion meanders down his own winding life path as he struggles to balance his social life on one hand and his private one on the other day in day out Scars left by a traumatic childhood and a broken family taint his view of inescapable social life urging him to find solace in his own intimate reveries and in his sister Rick s communal and professional life experiences speak for themselves as if automated while he strives to stay afloat and keep his instincts at bay His inner struggles are given expression to through his own inner voice taking shape as his intimate reveries that are at one and the same time an attempt to exorcise his own psychological demons as much as a signalling of a state of psychological deterioration which although being a mere internal whisper howl fiercely in the reader s ear Things spiral out of control as Rick is suddenly summoned on to the scene of an ongoing crime He is tossed into a living nightmare where he is reunited with his sister whose safety he takes upon himself to keep at all costs Together they must delve deeper into a darkly abysmal reality while reacquainting themselves with haunting memories from the past that manifest themselves as monstrosities But whose is the other voice that appears in Rick s mind Why is it vying with Rick in a struggle of wits Can Rick stay sane and see himself and his sister out of this mess Abstract Reality is an intimate story of a young man who toils with the different faces of his own reality as well as with the ghosts of his own past a journey through the dark plains of the human psyche weaving together memory and present external encounters and experiences into a dark veil that barely separates insanity from reality if at all
