Weight Loss Plan Deal:

The 90/10 Weight-Loss Plan Joy Bauer, 2025-06-25 In just two weeks you'll lose weight, be healthier, and you can still eat your favorite chips, cookies, and ice cream. The reason so many diets fail for so many people is that they force the dieter to cut out the foods they love and crave. With The 90/10 Weight Loss Plan, dieters learn to balance their food intake by eating 90% healthy, nutritious food with 10% Fun Food, whatever they want, whenever they want. Nutritionist Joy Bauer has created a phenomenon that has taken the nation by storm: a diet that is healthy and easy to follow. And since dieters don't feel deprived of their favorite foods, The 90/10 Weight Loss Plan is a program they can stay on. The innovative plan offers three different caloric levels based on one's weight loss goal, 42 meals for each level, including breakfasts, lunches, dinners, and snacks. Meals that provide the most nutrition possible while reducing saturated fat and cholesterol intake. Meals that help reduce the risk of heart disease and cancer. Menus that are designed to include food the dieter will love. The Doctor on Demand Diet Melina Jampolis, M.D., 2015-11-10 A companion to the highly popular Doctor On Demand telemedicine app, The Doctor On Demand Diet provides a customized eating, exercise, and behavioral plan that optimizes your chances of success without forcing you to eliminate any major food groups. The Doctor On Demand Diet begins with the 10-day CleanStart phase, designed to control hunger without compromising nutrition by focusing on higher protein foods and reducing fat and carbs, especially sugar, dry carbs, and bread. Next, the 10-day Customize Your Carbs phase personalizes your eating plan to match your own individual metabolic profile. Then, the Cycle for Success phase creates a more flexible plan that provides continued weight loss while preventing frustrating weight loss plateaus. Along the way, practical advice, real-life patient stories, and targeted findings from the latest scientific studies show how basic lifestyle changes can boost your health while you slim down. A simple exercise quiz pinpoints your exercise personality and gives customized practical and fun exercise suggestions. Mental health self-checks help you gauge whether emotional roadblocks stand between you and your goals, and delicious chef-designed recipes and meal templates make it a snap to prepare healthy, tasty meals. With a program that fits perfectly into your life, The Doctor On Demand Diet provides a clear, customizable roadmap that can help you lose weight and keep it off for good. **EAT TO BEAT YOUR DIET** Deborah Hoglund, 2024-10-22 Are you tired of restrictive diets that leave you feeling deprived and unsatisfied?
