Stylistics, Stylometry and Sentiment Analysis in German Studies Massimo Salgaro,2023-04-17 Can literature be investigated through quantitative methods Can style empathy and prestige be measured This study attempts to respond to these questions by providing results

from a selection of case studies taken from German literature of the 19th through the 21st century including Goethe's late style Felix Salten and the output of contemporary writers such as Florian Meimberg's twitterature and Daniel Glattauer's e-mail novel Altogether this study shows how the interplay among literary theory stylometry stylistics sentiment analysis empirical studies and archival research can offer new answers to old questions regarding German literature and provide tools to formulate new questions and novel approaches to research

Literary Prizes and Cultural Transfer Petra Broomans, Mathijs Sanders, Jeanette den Toonder, Elise Bijl, 2022-02-05 Literary Prizes and Cultural Transfer addresses the multilevel nature of literary and translation prizes with the aim of expanding our knowledge about them as an international and transnational phenomenon The contributions to this book analyse the social institutional and ideological functions of such prizes This volume not only looks at famous prizes and celebrities but also lesser known prizes in more peripheral language areas and regions with a special focus on cultural transmitters and their networks which play a decisive role in the award industry Cultural transfer and translations are at the heart of this book and this approach adds a new dimension to the study of literary and translation prizes The contributions reveal the diverse ways in which a cultural transfer approach enhances the study of literary prizes presenting the state of the art regarding recent developments in the field Articles with a broader scope discuss definitions concepts and methods while other contributions deal with specific case studies A variety of theoretical and methodological approaches are explored applying field theory network analysis comparative literature and cultural transfer studies By providing multiple perspectives on the literary prize this volume aims to contribute to our knowledge and understanding of this intriguing phenomenon

The Twilight of the Gothic? Joseph Crawford, 2014-05-15 This book explores the history of the paranormal romance genre from its origins in the revisionist horror fiction of the 1970s via its emergence as a minor sub genre of romantic fiction in the early 1990s to its contemporary expansion in recent years into an often controversial genre of mainstream fiction Tracing the genre from its roots in older Gothic fiction written by and for women it explores the interconnected histories of Gothic and romantic fiction from Ann Radcliffe and Jane Austen in the eighteenth century to Buffy Twilight True Blood and The Vampire Diaries in the present day In doing so it investigates the extent to which the post Twilight paranormal romance really does represent a break from older traditions of Gothic fiction and just what it is about the genre that has made it so extraordinarily divisive captivating millions of readers whilst simultaneously infuriating and repelling so many others
