Hmong's involvement in the Secret War in Laos, their refugee exodus from Laos to the refugee camps in Thailand and the challenges to find third countries to take Hmong refugees. At the time Hmong and other highlander refugees from Laos were considered unsuitable to be resettled into the United States. He provides detailed research on the adaptation of Hmong Americans to their new lives in the United States, facing discrimination and prejudice and the advancement of Hmong Americans over the past 40 years. He presents the Hmong American community as an uprooted refugee community that grew from a small population in 1975 to more than 300,000 by the year 2015, spreading to all 50 states while becoming a diverse and complex American ethnic community. To get better insight into their diversity, complexity and adaptation to different localities, Kou Yang uses the Hmong communities in Montana, Fresno and Denver as case studies. The progress of Hmong Americans over the past 4 decades is highlighted with a list of many achievements in education, high tech, academia, political participation, the military and other fields. Readers of this book will gain a deeper understanding of the challenges, complex and diverse experience of the Hmong American community. They will also obtain insight into the overall experience of the Hmong, an ethnic people of Diaspora found in Asia, the Americas, Africa, Australia and Europe. They are like bristle cone pines on the rock that have been exposed to all types of weather, climate and conditions but they won't die. **Towards a**

Comparative Economic History of Cinema, 1930-1970 John Sedgwick, 2022-09-09. This book examines the economic circumstances in which films were produced, distributed, exhibited and consumed during the spoken era of film production until 1970. The periodisation covers the years between the onset of sound and the demise of the phased distribution of films. Films are generally appreciated for their aesthetic qualities. But they are also commodities. This work of economic history presents a new approach, considering consumption behaviour as significant as supply side decision making. Audiences' tastes are considered central, with box office an indicator of what they liked. The POPSTAT Index of Film Popularity is used as a proxy where box office knowledge is missing. Comparative analysis is conducted through the tool RelPOP. The book comprises original case studies covering film consumption in Great Britain, the Netherlands, Sweden and the United States during the 1930s, Australia and occupied Belgium during the Second World War, and Italy, the United States, Poland and Czechoslovakia during the Post-war. An overriding theme is how the classical American business model, which emerged during the 1910s, linking production to distribution and exhibition, adapted to local circumstances, including the two countries behind the Iron Curtain during the years of High Stalinism. *America's Film Legacy* Daniel Eagan, 2009-11-26. *America's Film Legacy* is a guide to the most significant films ever made in the United States. Unlike opinionated Top 100 and arbitrary Best of lists, these are the real thing: groundbreaking films that make up the backbone of American cinema. Some are well known, such as *Citizen Kane*, *The Jazz Singer*, *All Quiet on the Western Front*, *The Birth of a Nation* and *Boyz n the Hood*. Others are more obscure, such as *Blacksmith Scene*, *The Blue Bird*, *The Docks of New York*, *Star Theatre* and *A Bronx Morning*. Daniel Eagan's beautifully written and authoritative book is for anyone who loves American movies and who wants to learn more about them.

Film Review ,2002 *Brazil, the United States, and the Good Neighbor Policy* Alexandre Busko Valim,2019-10-11 In Brazil the United States and the Good Neighbor Policy The Triumph of Persuasion during World War II Alexandre Busko Valim studies the use of cinema in Brazil as an instrument of political persuasion by the United States during the period of the so called Good Neighbor policy during World War II by examining extensive documentation found in the National Archives in College Park Maryland In doing so Valim demonstrates the modus operandi of media imperialism its mapping strategies and control of the market its actions and its objectives of domination When thinking about the place of images as a means of convincing and imposing an ideological project the author notes the methods necessary to examine this relationship between art and politics a problem that is central in the contemporary world Scholars of Latin American Studies international relations history political science and media studies will find this book particularly useful *Woman Up: Pitches, Pay and Periods* Carrie Dunn,2025-07-03 From the author of *Unsuitable for Females* shortlisted for The Sunday Times Football Book of the Year 2023 With the triumph of England s Lionesses at Euro 2022 the women s game has been in the spotlight like never before But this is the result of decades of struggle to get women s football banned by the English FA for fifty years on a more equal footing to its male counterpart And while the current professional players are starting to reap the rewards of their success on the pitch their personal journeys have often involved fighting against the odds So that a new generation of girls getting involved in football all over the world don t face the same obstacles as their predecessors football journalist Carrie Dunn shines a light on the evolution of women s football and the gender gaps that persist Packed with practical advice and first hand accounts from leading female players *Woman Up* is an inspirational informative and entertaining account of women s football s painful past and its exciting future One of the most talented and considered minds working in women s football today Carl Anka bestselling author Shedding light not only on generations of struggle and often unheard of victories and success but on the issues that women still face today Christy Lefteri It may reflect on some of the most irritating traditions of the game like disrespect for its female Olympians and World Cup winners and the absence of suitable kit for girls but you still leave feeling uplifted and optimistic about the future of the sport Kate Mason Carrie Dunn is a sportswriter whose recent books include *The Pride of the Lionesses* a Football Book of the Year nominee and *Unsuitable for Females* which explores the history of women s football She has reported on the last three Women s World Cups for the Times and Eurosport and is a regular contributor to BBC radio and The Athletic s Women s Football Podcast **Research Methods for African Scholarship** Kehbuma Langmia,Chuka Onwumechili,Laban Ayiro,Agnes Lucy Lando,2024-11-19 This book spotlights and demystifies under researched elements of research design to support successful research initiatives undertaken by students in African universities This volume marks a significant and important departure from research design books rooted in European and American socio cultural context and places emphasis on contextual realities in Africa Attending to socio cultural oral and written methods of eliciting data from participants contextual sampling techniques oral
