Womack, 2025-03-25 The spaces revealed through the practice of time manipulation in Black cultures lend themselves to storytelling a time hopping process that integrates memory and community Drawing on disparate philosophies and science behind electronic beat making lyricism dance memory myth and cosmology in the African and African Diasporic traditions this book seeks to demonstrate relationships between rhythm space and ways of being as an articulation of futures and alternate realities made present Infused with author and Afrofuturist educator Ytasha Womack's own practice and contemplations this book rich in anecdotes will interrogate Afrofuturism as an experience that unfolds through combinations of being a maker and theorist Readers will take a creative journey that allows them to bring Afrofuturist practices into their own lives The goal is to expand imagination rootedness and possibility From Senegalese poet political theorist and politician Leopold Sedar Senghor's ideas on the plastic arts and Negritude to writer Malidoma Patrese Some's articulation of water symbolism in Burkina Faso from tap dance exercises to composer DJ and recording artist King Britt's Blacktronica The Afrofuturist Evolution aims to demonstrate Afrofuturism as embodied theory in practice This book in simple straightforward but powerful ways invites readers to bring these practices into their own lives      Critical Literacy in an AI World Kathy A. Mills, Amanda Gutierrez, 2025-12-18 Critical Literacy in an AI World is an innovative book that uses critical literary perspectives to examine generative AI It provides thought provoking insights into advancements in artificial intelligence which are increasingly entangled in human decision making across all spheres of society profoundly reshaping literacy and media practices Mills and Gutierrez analyse how these transformations affect and are affected by the evolving nature of human knowledge consciousness creativity emotion ethics and aesthetics They highlight the importance of critical literacy for understanding and even reclaiming the power dynamics operating in the social construction of the human experience within AI driven texts and technologies This book encourages readers to critically navigate computational algorithms and agents that mediate digital social practices and daily life Blending theoretical frameworks and practical applications it advances students critical AI based digital reading and authoring skills as well as teachers capabilities to use critical pedagogies curricula and assessment for reflective AI text environments Critical Literacy in an AI World is essential reading for students and researchers in literacy and educational technology      **AI Snake Oil** Arvind Narayanan, Sayash Kapoor, 2025-09-23 From two of TIME's 100 Most Influential People in AI what you need to know about AI and how to defend yourself against bogus AI claims and products Confused about AI and worried about what it means for your future and the future of the world You're not alone AI is everywhere and few things are surrounded by so much hype misinformation and misunderstanding In AI Snake Oil computer scientists Arvind Narayanan and Sayash Kapoor cut through the confusion to give you an essential understanding of how AI works and why it often doesn't where it might be useful or harmful and when you should suspect that companies are using AI hype to sell AI snake oil products that don't work and probably never will

While acknowledging the potential of some AI such as ChatGPT AI Snake Oil uncovers rampant misleading claims about the capabilities of AI and describes the serious harms AI is already causing in how it s being built marketed and used in areas such as education medicine hiring banking insurance and criminal justice The book explains the crucial differences between types of AI why organizations are falling for AI snake oil why AI can t fix social media why AI isn t an existential risk and why we should be far more worried about what people will do with AI than about anything AI will do on its own The book also warns of the dangers of a world where AI continues to be controlled by largely unaccountable big tech companies By revealing AI s limits and real risks AI Snake Oil will help you make better decisions about whether and how to use AI at work and home
